CAMPFIRE OPENINGS (Spoken)

The logs burn, the flames rise
Our hearts glow, our troubles die.
Each for all and all for each
Happiness within our reach
Joined together by the good
Of worldwide Scouting brotherhood.

(make up one large letter cards for each Joey/Cub to hold up.
A good reader can recite the saying)
J is for the jolly fun in Joey Scouts
O is for the outdoors and nature
E is for everyone to enjoy
Yes! That means You
So, on with the show!

OR
C is for the campfire we are having
U is for the ultra-fun we have at Cubs
B is for buzz we get while singing
S for the great songs we get to sing.

Come, come, light up the fire
Come, come, join in the ring
Here find dreams to inspire
Stories to tell, music to sing.

May this fire touch us with the magic of its mystery,
May we see in its dance, the ever-changing beauty of this world.
May this fire be good medicine.
Where fellowship, adventure and fun sit side by side,
May this fire tonight remain forever in our hearts,
Even as the first fire kindled by our ancestors has remained alight through the ages.

**AIN'T GONNA RAIN NO MORE**  (for Cubs really, but you can choose verses carefully)

CHORUS: Ain't gonna rain no more, no more
Ain't gonna rain no more
How in the heck can I wash my neck
If it ain't gonna rain no more.

1. The girl stood on the bridge at night  
   Her legs were all a-quiver  
   She gave a cough, her legs fell off
And floated down the river.

2. The night was dark and stormy  

7. Mary had a little lamb
   So goes the tale of yore
   She loved that little lamb so much
   She passed her plate for more.

8. A doctor fell down into a well
The dunny light was dim
I heard a crash and then a splash
My gosh he's fallen in.

Cracker Night has come and gone
But thoughts of it still linger
I held a burger in my hand
Has anyone seen my finger?
(hold up a hand with one finger folded down)

The boy stood on the burning deck
His hands were full of blisters
He rolled it into little balls
And threw it at the jury.

The pants he wore were not his own
And burnt his little bottom.

The boy stood in the witness box
Picking his nose like fury
He fell right off that lilypad
And got water in his eye

A bullfrog sat on a lilypad
Looking up into the sky
He fell right off that lilypad
And got water in his eye

AIN'T IT GREAT TO BE CRAZY

Chorus:
Boom Boom, ain't it great to be Crazy?
Giddy and Foolish all day long
Boom Boom, ain't it great to be Crazy!

Way down south where bananas grow
A flea stepped on an elephant's toe
The elephant cried with tears in his eyes
"Why don't you pick on someone your own size?"

Way up north where there's ice and snow
There was a penguin and his name was Joe
He got tired of black and white
So he wore pink slacks to the dance last night!

A horse and a flea and three blind mice
Sat on the curbstone shooting dice
The horse, he slipped and fell on the flea
Woops! said the flea, there's a horse on me!

I bought a suit of combination underwear
Guaranteed not to rip or tear
I wore them six months and to my consternation
I couldn't get the darned thing off, I'd lost the combination!

I love myself. I think I'm grand.
When I go to movies, I hold my hand.
I put my arm around my waist,
And when I get fresh, I slap my face.

I call myself on the telephone
Just to hear my musical tone.
I ask myself for a heavy date,
And I pick myself up at half past eight.

Fuzzy Wuzzy was a bear,
And Fuzzy Wuzzy cut his hair.
So, Fuzzy Wuzzy wasn't fuzzy.
No, by Jove, he wasn't, was he?

I take a swim in my swimming pool.
I jump from the board 'cause that's the rule.
I hit my head on cement and mortar.
Forgot to look - there was no water.

That one-eared cat who used to sit
Watching Grandma rock and knit
Swallowed a ball of bright red yarn,
And out came kittens with red sweaters on.

I had a dog and he had fleas.
He had fleas all over his knees.
And every time his tail went flop,
The fleas on the bottom all jumped to the top!

Eli, Eli, he sells socks.
A dollar a pair and a nickel a box.
The longer you wear 'em, the stronger they get,
You put 'em in the water and they don't get wet!

**AIN'T NO FLIES ON US!** (This is a YELL)
Divide group into 2, facing each other. Start one group softly, other group repeats a bit louder until each group out-yells each other. Leader must use the CUT command to stop before it gets out of hand.

There ain't no flies on us
There ain't no flies on us
There might be some flies on YOU guys
But there ain't no flies on US.

**AKELA WEARS HER NIGHTIE**  Tune: Glory Glory Halleluia

How precious did that grace appear,
The hour I first believed.

Thru' many dangers, toils and snares,
I have already come,
'Tis grace hath brought me safe thus far,
And grace will lead me home.

When We've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Than when we first begun.

G    D7    G    G7

A crash of drums, a flash of light
A
My golden cloak flew out of sight
G    C    D7
the colours faded into darkness, I was left alone.

May I return to the beginning, the light is dimming

**BILLY ATE SOME MARMALADE**  Tune: Glory Glory Halleluia
Billy ate some marmalade, Billy ate some ham
Billy ate some liverwurst and then some strawberry jam
Three or four bananas and a glass of ginger beer
And Billy wondered what it was that made his tummy queer.

Whoops came the marmalade and whoops came the ham
Whoop came the liverwurst and then the strawberry jam
The three or four bananas and the glass of ginger beer
And Billy saw just what it was that made his tummy queer!

How many roads must a man walk down, Before they call him a man?
Yes'n how many seas must a white dove sail, Before she sleep's in the sand?
Yes'n how many times must the cannon-ball's fly, Before they're forever banned?

The answer, my friend, is blowing in the wind
The answer is blowing in the wind.

How many times must a man look up, before he can see the sky
Yes’n how many ears can one man have before he can hear people cry
Yes’n how many years will it take till he knows that too many people have died

The answer ......

How many years must a mountain exist,
Before it is washed to the sea?
How many years can some people exist,
Before they’re allowed to be free,
How many times can a man turn his head,
And pretend that he just doesn’t see?

The answer ......

**BOOM CHICKA BOOM** (a repeat after me)

I said a-boom-chick-a-boom! [Group echoes.]
I said a-boom-chick-a-boom! [Group echoes.]

**BOTANY BAY**

Chorus: singing too-ral-li, oor-al-li, addity
singing too-ral-li, oor-ral-li ay
singing too-ral-li, oor-ral-li addity
for we’re bound for Botany Bay.

Farewell to old England forever, farewell to my rum pals as well
Farewell to the well known Old Bailey, where I once used to cut such a swell.

There's the captain as is our commander, there's the bosun and all the ship's crew
There's the first and the second class passengers,
Knows what we poor convicts go through.

'Taint leaving old England we cares about, 'Taint cause we mis-spells what we knows
But because all we light fingered gentry, 'ops around with a log on our toes.

Oh had I the wings of a turtledove, I'd fly on my pinions so high
Slap bang to the arms of my turtle dove, And in her sweet presence I'd die

Now all my young dukies and duchesses, Take warning from what I've to say
Mind all is your own as you touch-esses, Or you'll join us in Botany Bay.

**B.P. FEELING**

I've got that B.P. feeling up in my head, up in my head    (action: tap head)

I've got that B.P. feeling up in my head, deep in my heart, down in my toes
I've go that B.P. feeling all over me,
All over me to stay.    (actions: combine all of the above)

**BRING BACK MY NEIGHBOURS**  Tune: My bonnie lies over the ocean

Last night as I lay on my pillow, Last night as I lay on my bed
I stuck my feet out the window, And now all my neighbours are dead.
Chorus: Bring back, bring back, Oh bring back my neighbours to me, to me
Bring back, bring back, Oh bring back my neighbours to me.
My neighbour looked into his gas tank, but nothing at all could he see,
I struck up a match to assist him, Oh bring back my neighbour to me.
    My cat is as big as a tiger, He sharpens his claws on a tree,
        He sharpens his teeth on my neighbours, Oh bring back my neighbours to me.

**BULLFROGS**

Down by the banks of the hankety tank,
Where the bullfrogs jump from bank to bank
With an eep, ipe, ope, op.
An eef-sofadilly and a Ker-flop

**CAMP COOKS SOUP SURPRISE**  Tune: "Supercalifragilisticexpialidocious"

Monkey legs and buzzard eggs, and salamander thighs,
Rabbit ears and camel rears, and tasty toenail pies,
Stir them altogether, it’s the Camp Cook’s soup surprise!

**CAMPFIRE COURSE SONG**  Tune: the limerick song

Chorus: Ai ai ai ai, Our campfire never grows chilly
    So sing us another verse
    That’s worse than the first
    Make sure that its foolish and silly.

*Verses created by course participants e.g.*
The campfire course at the Hills
Was run by a right pair of dills
To teach us to sing
Was a really hard thing
But the action songs gave us some thrills.
**CAMP GRANADA**
Hello Mudda, hello Fadda,
Here I am at Camp Granada.
Camp is very entertaining,
And they say we'll have some fun if it stops raining.

I went hiking with Joe Spivy;
He developed poison ivy.
You remember Leonard Skinner;
He got ptomaine poisoning last night after dinner.

All the counsellors hate the waiters,
And the lake has alligators,
And the head coach wants no sissies,
So he reads to us from something called "Ulysses".

Now I don't want this should scare ya,
But my bunk mate has malaria.
You remember Jeffrey Hardy,
They're about to organise a searching party.

Take me home, oh Mudda, Fadda,
Take me home, I hate Granada!
Don't leave me out in the forest where
I might get eaten by a bear.

Take me home, I promise I will not make noise,
Or mess the house with other boys.
Oh, please don't make me stay,
I've been here one whole day.

Dearest Father, darling Mother,
How's my precious little brother?
Let me come home if you miss me,
I would even let Aunt Bertha hug and kiss me.

Wait a minute, it stopped hailing,
Guys are swimming, gals are sailing.
Playing baseball, gee that's betta,
Mudda, Fadda, kindly disregard this letter!

**(The) CAMP LEADER'S SONG**
(Tune: Mr. Sandman)
Hey, Group Leader, bring us a dream
Please bring us children who never scream,
Please make them listen and make them polite
And have them go to sleep when we turn out the light
Hey, Group Leader, I'm never alone,
ain't got no bedroom to call my own
so please turn on your flashlight beam
Hey, Group Leader, bring us a dream.

Hey, Group Leader, I've had enough
I'm going crazy, I need a day off
We've had two tick bites and lots of mosquitos
And I can't get these kids to change their clothes
Hey, Group Leader, one wet the bed
Another one's sick with a pain in her head.
One's got poison ivy, one wants to go home
And this one's hair really needs a comb
Hey, Group Leader, (yessssss),
The tents are a mess
These kids are horrors and they want my address
I'd send them all home if I could
Tut they love it here in the bush

**CANADIAN VESPERS**  
Tune: Oh Christmas Tree
Softly falls the light of day, as our campfire fades away
Silently each Scout should ask, have I done my daily task?
Have I kept my honour bright, will I guiltless sleep tonight?
Have I done and have I dared, everything to be prepared?

**CHESTY**
Here comes Chesty, Hairy Chesty
Just got back from the Army
I hear he knows how to wear his clothes,
Hip, Hip, Hooray for the army.

**CLEMENTINE**
In a cavern, in a canyon, Excavating for a mine,
Dwelt a miner, forty-niner, And his daughter Clementine.

*Refrain:*
Oh my darling, oh my darling,
Oh my darling Clementine
You are lost and gone forever,
Dreadful sorry, Clementine.

Light she was, and like a fairy, And her shoes were number nine,
Herring boxes without topses, Sandals were for Clementine.

Drove she ducklings to the water, Ev'ry morning just at nine,
Hit her foot against a splinter, Fell into the foaming brine.

Ruby lips above the water, Blowing bubbles soft and fine,
But alas, I was no swimmer, Neither was my Clementine.

In a churchyard near the canyon, Where the myrtle boughs entwine,
Grow the roses in their posies, Fertilised by Clementine.

Then, the miner, forty-niner, Soon began to fret and pine,
Thought he oughter join his daughter, So he's now with Clementine.

In my dreams she still doth haunt me, Robed in garments soaked with brine,
Then she rises from the waters, And I kiss my Clementine.

How I missed her, how I missed her, How I missed my Clementine,
Til I kissed her little sister, And forgot my Clementine.

**CLICK GO THE SHEARS**
Out on the boards, the old shearer stands
Grasping his shears in his thin bony hands,
Fixed is his gaze on a bare bellied joe
Glory if he gets her, won't he make the ringer go.

*Chorus:*
Click go the shears boys, click click click
Wide is his blow and his hands move quick
The ringer looks around and is beaten by a blow
And curses the old snagger with the bare bellied joe.

In the middle of the floor in his cane bottomed chair
Is the boss of the joint with his eyes everywhere
Notes well each fleece as it comes to the screen
Paying strict attention that it's taken off clean.

The tar boy is there, awaiting on demand
With his blackened tar pot in his tarry hand
Sees one old sheep with a cut upon his back
Here's what he's waiting for- it's "Tar here Jack".

Shearing is all over and we've all got our cheque
Roll up your swag, we're all off on the track
The first pub we come to it's there we'll have a spree
And everyone that comes along it's "Come and drink with me!"

**COCKLES AND MUSSELS**

In Dublin's fair city, where the girls are so pretty,
I first set my eyes on sweet Molly Malone,
As she pushed her wheel barrow, Through streets broad and narrow,
Crying cockles and mussels alive, alive, Oh!

Chorus:
Alive, alive, Oh! Alive, alive, Oh!
Crying cockles and mussels alive, alive, Oh!

She was a fishmonger, but it sure was no wonder,
For so were her father and mother before,
And they each pushed their wheel-barrow,
Crying cockles and mussels alive, alive, Oh!

She died of a fever, and no one could save her,
And that was the end of sweet Molly Malone;
Her ghost wheels her barrow,
Crying cockles and mussels alive, alive, Oh!

**COME BY HERE** (Tune: Kum Ba Yah)

We are gathered Lord, come by here
In your presence Lord, come by here
As we worship Lord, come by here
O Lord, come by here

Make us humble Lord, come by here
Make us loyal Lord, come by here
Make us courteous Lord, come by here
O Lord, come by here

Make us useful Lord, come by here
In the truth Lord, come by here
Of your Word, Lord, come by here
O Lord, come by here.

**DAISY**

Daisy, Daisy, give me your answer do,
I'm half crazy, all for the love of you
It won't be a stylish marriage,
I can't afford a carriage
But you'll look sweet, upon the seat,
Of a bicycle built for two.

Michael, Michael, here is my answer true,
I can't cycle, it makes me feel so blue,
If you can't afford a carriage,
There'll be no flaming marriage
For I'll be blowed, if I'll be stowed,
On a bicycle built for two.

*(The) DOUGHNUT SONG*

[may be used as a repeat-after-me]
Well, I walked 'round the corner and I walked 'round the block,
and I walked right into a bakery shop.

I picked up a doughnut and I wiped off the grease,
and I handed the lady a five cent piece.

Well, she looked at the coin and she looked at me,
and she said "Hey mister, you can plainly see.

There's a hole in the coin, there's a hole right through."
Said I, "There's a hole in the doughnut too!
Thanks for the doughnut, good-bye!"

**DOWN BY THE STATION**

Down by the station early in the morning
See the little puff-a-billies standing in a row
The man at the engine pulls a little lever,
Chug-Chug, toot-toot, off we go.

**DOWN IN THE VALLEY**

Down in the valley, the valley so low,
Hang your head over, hear the winds blow.
Hear the winds blow, dear, hear the winds blow.
Hang your head over, hear the winds blow.

Down in the valley, walking between,
Telling our story, here's what it means.
Here's what it means, dear, here's what it means,
Telling our story, here's what it means.

Roses love sunshine, violets love dew,
Angels in heaven know I love you;
Know I love you, dear, know I love you,
Angels in heaven know I love you.

Build me a castle forty feet high,
So I can see him as he rides by;
As he rides by, dear, as he rides by,
So I can see him as he rides by.

Writing this letter, containing three lines,
Answer my question, "Will you be mine?"
"Will you be mine, dear, will you be mine,
Answer my question, "Will you be mine?"
If you don't love me, love whom you please,
Throw your arms round me, give my heart ease.
Give my heart ease, dear, give my heart ease,
Throw your arms round me, give my heart ease.

Throw your arms round me, before it's too late;
Throw your arms round me, feel my heart break.
Feel my heart break, dear, feel my heart break.
Throw your arms round me, feel my heart break.

**DO YOUR EARS HANG LOW**

Do your ears hang low, do they wobble to and fro
Can you tie them in a knot, can you tie them in a bow,
Can you swing them over your shoulder like a regimental soldier
Do your ears hang low?

Do your ears stand out, do they wobble all about
Do they stretch from east to west, do they always look their best,
Can you pass the peanut butter with a flutter, flutter, flutter,
Do your ears stand out?

Do your ears stand high, do they reach up to the sky,
Do they hang down when they're wet, do they stand up when they're dry,
Can you semaphore your neighbour with a minimum of labour
Do your ears stand high?

*(The) DROVER'S DREAM*

One night when droving sheep, my companions lay asleep,
There was not a star to illuminate the sky.
I was dreaming I suppose, for my eyes were partly closed,
When a very strange procession passed me by.

First there came a kangaroo with a swag of blankets blue
A dingo ran beside him as his mate,
They were travelling mighty fast but they shouted as they passed
We'll have to jog along, it's getting late.

The pelican and the crane they came in from off the plain,
To amuse the company with a Highland fling,
The dear old bandicoot played a tune upon his flute,
And the native bears sat round him in a ring.

The possum and the crow sang us songs of long ago,
And the Frilled neck lizard listened with a smile,
The emu standing near with his claw up to his ear,
Said, Funniest thing I've heard for quite a while.

Some frogs from out the swamp where the atmosphere is damp,
Came bounding in and sat upon the stones.
They each unrolled their swags and produced from little bags
The violin, the banjo and the bones.

The goanna and the snake and the adder wide-awake
With an alligator danced the Soldier's Joy.
In the spreading silky oak the jackass cracked a joke
And the magpie sang *The Wild Colonial Boy*.

Some brolgas darted out from the tea-trees all about,
And performed a set of lancers very well.
The parrot green and blue gave the orchestra its cue,  
To strike up The Old Log Cabin in the Dell.

I was dreaming I suppose, for these entertaining shows  
But it never crossed my mind I was asleep,  
Till the boss beneath the cart woke me up with such a start  
Yelling, Dreamy! Where the heck are all the sheep!

Eat More Fruit, eat more fruit,

Keep me burning till the break of day.

Chorus: Sing hosanna (x3) to the king of kings
Sing hosanna to the king!

Give me joy in my heart, keep me praising...
Give me peace in my heart, keep me loving...
Give me love in my heart, keep me serving...
Make me a fisher of men, keep me seeking....
Give me unction in my gumption make me function....
**GOD OF PEACE** (Tune: Eidelweiss)

God of peace, God of peace, We would praise you at dawning
Through the dark of the night, In your keeping till morning

(Chorus): So we gather from near and far, near and far together
Praising You, Praising You, We should serve you forever.

In our work, in our play, May our thoughts be for others
Young and old, may we be, Close as sisters and brothers.

**GOD’S LOVE IS LIKE A CIRCLE**  (Tune: Puff the Magic Dragon)

Formation: holding hands in a circle.

God’s love is like a circle, A circle big and round
And when you see a circle, No ending can be found.
That’s how it is with God’s love, Goes on eternally
Forever and forever, I know that God loves me.

**GOOD KING WENCESLAS – ANIMAL VERSION**

Note: Allocate 4 groups- pigs (oink), cows (moo), Ducks (quack) and Sheep (baa)
Conduct the tune Good king Wenceslas, indicating various sections, who sing their animal noise for as many
beats as the conductor indicates.
It is funnier if the conductor does their job with a straight face (if they can!)

**THE GRAND OLD DUKE OF YORK**

The grand old duke of York
He had ten thousand men
He marched them up to the top of the hill
And he marched them down again
And when they were up they were up
And when they were down they were down
And when they were only half-way up
They were neither up nor down!

**GREATEST SHOW AROUND**  Gang show song by Brett Hartley & Rob Lang

CHORUS (Ringmaster) Roll up rollup for the greatest show around
Come see the lions and the magic and the clowns
Let us make you smile, we love to entertain
Yes, we guarantee you’ll all be back again.

(Magician) My name is Zolar and I am the magic man
  Making people disappear at my command
  All I have to do is wave my magic wand
  And then 1 2 3 you are gone!

(Clowns) Hidey ho, boys and girls, we are the clowns
  See us act like fools and juggle all around
  If Zolar makes me disappear without a trace
  Then my partner will squirt water in his face.

(Lion Tamer) I have the toughest job of anyone for sure
Taming fearsome lions and listening to them roar
And I always check the lions are amply fed
So they stake the steak – and not my head.

(Strongman) I am the strongest man, I’m Hercules the Great
I can lift a 1000 kilograms of weight
Just be careful when you have to let it go
Drop it on the ground, and not my toe.

(Acrobats) We are the acrobats who fly the high trapeze
Flying through the air and with the greatest ease
But there’s one thing that we never will forget
If you have to fall, make sure you hit the net.

(Human Cannonball) I am Bullethead, the human cannonball
Watch me take off with the biggest bang of all
It is easy flying just like Superman
But the hardest part comes when I land.

**GREEN GROW THE RUSHES-O**

I'll sing you one-o, Green grow the rushes-o
What is your one-o?
One is one and all alone, And ever more shall be so.

I'll sing you two-o, Green grow the rushes-o
What is your two-o?
Two two the lily-white boys, Clothed all in green-o,
One is one and all alone, And ever more shall be so.

I'll sing you three-o, Green grow the rushes-o
What is your three-o?
Three-e-e three-e-e The ri-i-i-ivals,
Two two the lily-white boys, Clothed all in green-o,
One is one and all alone, And ever more shall be so.

I'll sing you four-o ...
... four for the Gospel makers, ...
... five for the symbols at your door, ...
... six for the six proud walkers, ...
... seven for the seven stars in the sky, ...
... eight for the April rainers, ...
... nine for the nine bright shiners, ...
... ten for the Ten Commandments, ...
... eleven for the eleven that went to heaven, ...
... twelve for the twelve Apostles, ...

**GREENSLEEVES**

Alas, my love, you do me wrong
To cast me off discourteously,
And I have loved you so long,
Delighting in your company.

Chorus:
Greensleeves was all my joy.
Greensleeves was my delight.
Greensleeves was my heart of gold,
And who but my Lady Greensleeves.

I have been ready at your hand
To grant whatever you would crave.
I have both wagéd life and land,
Your love and goodwill for to have.
I bought thee petticoats of the best,  
The cloth so fine as might be.  
I gave thee jewels for thy chest,  
And all this cost I spent on thee.

**GOPHER GUTS**
Great green globs of greasy grimy gopher guts,  
Mutilated monkey meat,  
Little birdies dirty feet,  
Great green globs of greasy grimy gopher guts,  
And I forgot my spoon!

**HAIL, HAIL, THE GANG'S ALL HERE**

Hail, hail, the gang's all here,  
We're a bunch of live ones, not a single dead one;  
Hail, hail, the gang's all here,  
Sure I'm glad that I'm here, too!

Hail, hail, the gang's all here  
Who you gonna yell for, who you gonna yell for?  
Hail, hail, the gang's all here  
Who you gonna yell for now?

Hail, hail, the gang's all here  
Gotta yell for [Group Name etc...], gotta yell for [...]  
Hail, hail, the gang's all here  
Gotta yell for [...], YELL RIGHT NOW!

**HAPPY LITTLE JOEY SCOUTS**  
(Tune: Happy Little Vegemites)
We're happy little Joey Scouts as bright as bright can be  
We all enjoy our Joey Scouts, it's made for you and me  
Our Leaders say we're getting better every single week  
Because they love their Joey Scouts  
They all adore their Joey Scouts  
Well, at least that's what they say!

**HAPPY WANDERER**
C G7  
I love to go a-wandering along the mountain track  
C G7 C  
And as I go I love to sing, my knapsack on back  
C G7 C G7 C  
Chorus: valderi, valdera, valderi, valder ha-ha-ha-ha-ha-ha  
G7 C F G7 C  
valderi, valdera, my knapsack on my back.

I love to wander by the stream, that dances in the sun,  
So joyously it calls to me, “Come! Join my happy song”  
I wave my hat to all I meet, and they wave back to me  
And blackbirds call so loud and sweet, From every greenwood tree.  
I love to wander by the stream that dances in the sun  
So joyously it calls to me “come join my happy song”  
High overhead the skylarks wing, they never rest at home  
But just like me they love to sing as o'er the world we roam.  
Oh may I go a-wandering until the day I die  
Oh may I always laugh and sing beneath God's clear blue sky.
HEADS, SHOULDERS, KNEES AND TOES
Heads, shoulders, knees and toes, knees and toes, (repeat once)
And eyes and ears and mouth and nose,
Heads, shoulders, knees and toes, knees and toes.

Sing it through once, then speed up, or do it backwards for fun!
Then sing it through, substituting one word each time by pointing to the body part. By the final round, you are pointing to every part, and not singing one word!

HE JUMPED FROM 40,000 FEET  Tune: Battle Hymn of the Republic

He jumped from 40,000 feet without a parachute,
He jumped from 40,000 feet without a parachute,
He jumped from 40,000 feet without a parachute,
And he ain't gonna fly no more.

Chorus:
Glory, glory, what a heck of a way to die
Glory, glory, what a heck of a way to die
Glory, glory, what a heck of a way to die
And he ain't gonna fly no more.

He was last to leave the cockpit and the first to hit the ground..
He was last to leave the cockpit and the first to hit the ground..
He was last to leave the cockpit and the first to hit the ground..
And he ain't gonna fly no more.

Chorus

He landed on the runway like a blob of strawberry jam.
He landed on the runway like a blob of strawberry jam.
He landed on the runway like a blob of strawberry jam.
And he ain't gonna fly no more.

Chorus

They scraped him off the runway with a silver spoon.
They scraped him off the runway with a silver spoon.
They scraped him off the runway with a silver spoon.
And he ain't gonna fly no more.

Chorus

They sent him home to mother in a little wooden box.
They sent him home to mother in a little wooden box.
They sent him home to mother in a little wooden box.
And he ain't gonna fly no more.

She put him on the mantelpiece for everyone to see.
She put him on the mantelpiece for everyone to see.
She put him on the mantelpiece for everyone to see.
And he aint gonna jump no more.
Chorus
She put him on the table when the vicar came to tea.
She put him on the table when the vicar came to tea.
She put him on the table when the vicar came to tea.
And he aint gonna jump no more.
Chorus
The vicar put him on his toast and eat him up for tea.
The vicar put him on his toast and eat him up for tea.
The vicar put him on his toast and eat him up for tea.
And he aint gonna jump no more.
Chorus

So early in the morning.

HEY LOLLEE
(This is the classic campfire song for which you make up verses as you go)

Hey Lollee, lollee,
Hey Lollee, lollee, lo.
Hey Lollee, lollee,
Hey Lollee, lollee, lo.

This is a crazy kind of song,
Hey Lollee, lollee, lo.
You make it up as you go along,
Hey Lollee, lollee, lo.
When calypso singers sing this song,
Hey Lollee, lollee, lo.
It sometimes lasts the whole day long,
Hey Lollee, lollee, lo.

First you invent a simple rhyme,
Hey Lollee, lollee, lo.
Then another one to rhyme,
Hey Lollee, lollee, lo.

While you catch on I'll sing a verse,
Hey Lollee, lollee, lo.
Then you do one that's even worse,
Hey Lollee, lollee, lo.

I know a boy named Sammy--C, (or use another name that rhymes)
Hey Lollee, lollee, lo.
He sings "Hey Lollee" in just one key,
Hey Lollee, lollee, lo.

Tonight we've chosen another key,
Hey Lollee, lollee, lo.
You won't be hearing from Sammy--C,
Hey Lollee, lollee, lo.

He sings "Hey Lollee" day and night,
Hey Lollee, lollee, lo.
It never seems to come out right,
Hey Lollee, lollee, lo.

I know a man name Mr. Jones,
Hey Lollee, lollee, lo.
When he sings, everybody groans,
Hey Lollee, lollee, lo.

The singer you fast the getter it's tuff,
Hey Lollee, lollee, lo.
To line up makes that you won't muff,
Hey Lollee, lollee, lo.

Let's put this song back on the shelf,
Hey Lollee, lollee, lo.
If you want anymore you can sing it yourself,
Hey Lollee, lollee, lo.

**HIAWATHA**

Hi, hi, hi, hi, hi, Hiawatha, Great big bear's on the warpath
Hi, hi, hi, hi, hi, Hiawatha, Hear the thnder of his footsteps,
When the campfire smoke goes curling up, goes curling up, goes curling up,
When the campfire smoke goes curling up, to the rocky mountain tops, tip tops.

**HOME AMONG THE GUM TREES**

I've been around the world a couple of times or maybe more
I've seen the sights, I've had delights on every foreign shore
But when my friends all ask me the place that I adore
I tell them right away (boom boom boom)

**CHORUS:**

Give me a home among the gum trees  hands up high like branches
With lots of plum trees dangle hands like fruit hanging
A sheep or two cuddle a sheep
And a kangaroo paws up and bounce
A clothesline out the back hands out straight like Hills Hoist
Verandah out the front arms together arching over the front
And an old rocking chair rock to and fro
You can see me in the kitchen cooking up a roast
Or Vegemite on toast, just you and me and a cuppa tea
Later on we’ll settle down and mull upon the porch
And watch the possums play....

There’s a Bi-Lo on the corner and a Woolworths down the street
And a New World’s just been opened where they regulate the heat
But I’d trade it all tomorrow for a simple bush retreat
Where the kookaburras call....

Some people like their houses with fences all around
Others live in mansions and some beneath the ground
But me, I like the bush you know, with rabbits running round
And a pumpkin vine out the back.

**HOME ON THE RANGE**

\[
\text{E} \quad \text{A}
\]

Oh give me a home where the buffalo roam,
Where the deer and the antelope play,
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

**Chorus**

\[
\text{B7} \quad \text{E}
\]

Home, home on the range,
Where the deer and the antelope play,
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

Where the air is so pure, and the zephyrs so free,
The breezes so balmy and light,
That I would not exchange my home on the range,
For all of the cities so bright.

The Red man was pressed from this part of the west,
He's likely no more to return,
To the banks of the Red River where seldom if ever
Their flickering campfires burn.

How often at night when the heavens are bright,
With the light from the glittering stars,
Have I stood there amazed and asked as I gazed,
If their glory exceeds that of ours.

Oh, I love these wild flowers in this dear land of ours,
The curlew I love to hear cry,
And I love the white rocks and the antelope flocks,
That graze on the mountain slopes high.

Oh give me a land where the bright diamond sand,
Flows leisurely down in the stream;
Where the graceful white swan goes gliding along,
Like a maid in a heavenly dream.

Then I would not exchange my home on the range,
Where the deer and the antelope play;
Where seldom is heard a discouraging word,
And the skies are not cloudy all day.

**HOT TIME IN THE OLD TOWN TONIGHT**

D  A7  D  
Late last night when we were all in bed,
A7  D
Old Lady Leary left her lantern in the shed.
A7  D
When the cow kicked it over, she winked her eye and said:
A7  D
"There'll be a hot time in the old town tonight!"

FIRE, FIRE, FIRE.

(A 2nd verse from MacScouter)
When you hear those bells go ding-a-ling,
All join 'round and sweetly you must sing.
And when the verse is through, in the chorus all join in:
"There'll be a hot time in the old town tonight!"

**HOW LOVELY IS THE EVENING**  18th Century German cannon
Oh how lovely is the evening, is the evening
When the bells are sweetly ringing, sweetly ringing,
Dong dong, ding dong, ding dong.

**HUNDRED LEG WORM** tune: Polly Wally Doodle
Oh, tell me, says the Hundred leg Worm
Has any seen a leg of mine?
For if it can't be found I'll have
To hop on the other 99.
Hop around, hop around, on the other 99
For if it can't be found I'll have
To hop on the other 99.

**ICH BIN DER MUSICALE**

**I'D LIKE TO TEACH THE WORLD TO SING**
I'd like to teach the world to sing
In perfect harmony
And hold it close and in my arms
And keep it company.

I'd like to see the world for once
All standing hand in hand
And hear it echo through the years
Of peace throughout the land.

**IF I HAD A HAMMER** (Peter, Paul and Mary)
If I had a hammer, I'd hammer in the morning
I's hammer in the evening, all over this land.
I'd hammer out danger, I'd hammer out warning
I'd hammer out the love between my brothers and my sisters
All over this land   ooh ooh ooh
If I had a bell, I'd ring it.....
If I had a song, I'd sing it....

Now I have a hammer and I have a bell
And I have a song to sing all over this land
I'll hammer out danger, I'll ring out warning
I'll sing out the love between my brothers and my sisters
All over this land.

**IF YOU’RE HAPPY**

If you’re happy and you know it, Clap your hands (clap, clap)
If you’re happy and you know it, Clap your hands (clap, clap)
If you’re happy and you know it, Then you really ought to show it,
If you’re happy and you know it, Clap your hands (clap, clap)

(Sing again, replacing clap your hands with each of the following)
Stamp your feet
Nod your head
Shout “hooray”
Do all four

**I’M A JOEY SCOUT** (Tune: Clementine)
I'm a Joey Scout, I'm a Joey Scout
I'm a Joey Scout, Yes I am
And I'd rather be a Joey Scout
Than a blob of strawberry Jam.
**I KNOW AN OLD LADY WHO SWALLOWED A FLY**

I know an old lady who swallowed a fly,
I don't know why she swallowed the fly,
Perhaps she'll die.

I know an old lady who swallowed a spider,
That wriggled and jiggled and tickled inside her.
She swallowed the spider to catch the fly,
I don't know why she swallowed the fly,
Perhaps she'll die.

I know an old lady who swallowed a bird,
How absurd to swallow a bird!
She swallowed the bird to catch the spider,
That wriggled and jiggled and tickled inside her,
She swallowed the spider to catch the fly,
I don't know why she swallowed the fly,
I guess she'll die.

I know an old lady who swallowed a cat,
Imagine that, to swallow a cat!

I know an old lady who swallowed a dog,
My, what a hog, to swallow a dog!

I know an old lady who swallowed a goat,
Just opened her throat and swallowed a goat!

I know an old lady who swallowed a cow,
I wonder how she swallowed a cow?!

I know an old lady who swallowed a horse,
She's dead, of course!!

**I'M A LITTLE JOEY**  
(tune: I'm a Little Teapot)

I'm a little Joey soft and grey
Here is my tail, so they say
When you pull my whiskers, then I SHOUT!
Hey! That hurts, so CUT IT OUT!  
(yell words in CAPITALS)

I'm a little Joey short and stout
Here is my tail and here is my pouch
When I get excited, then I SHOUT
HOP HOP HOP and run about.

I'm a dead goanna on the road
My belly swells up till I explode
Lots of guts and gizzards for all to see
Hungry birds and insects will come and eat me.

I'm a little insect in the sky
Watching all the cars go driving by
**SMACK!** I hit the windscreen, now I'm dead
And my feet come out my head.

**INKA!**  
(a Yell)
(Conducted by a Leader who directs two groups of yellers. Watch for Leaders signals)
(First group) (softly) Inka inka ooh wah wah
(2nd group) (a bit louder) Inka inka ooh wah wah
(First group) (louder still) " " " " "
(2nd group) (even louder) " " " " "
Continue until each group is really yelling. Then Leader makes CUT action - quiet.
Leader makes a large upwardly sweeping motion with both hands and everyone yells
I STILL CALL AUSTRALIA HOME
I've been to cities that never close down
From New York to Rio and old London Town
But no matter how far or how wide I roam
I still call Australia home.

I'm always travelling, I love being free
And so I keep leaving the sun and the sea
But my heart lies waiting over the foam
I still call Australia home.

All the sons and daughters, spinning round the world
Away from their family and friends
But as the world gets older and colder
It's good to know where your journey ends.

Some day we'll all be together once more
When all the ships come back to the shore
Then I'll realise something I've always known
I still call Australia home.

IT'S A LONG WAY TO GET A MILO (Tune: Tipperary)
It's a long way to get a milo,
It's a long way to go
It's the sweetest drink I know.
Goodbye soggy coffee, farewell watery tea
It's a long, long way to get a milo
It's milo for me.

IT'S A GOOD TIME TO GET ACQUAINTED (Tune: Tipperary)
It's a good time to get acquainted
It's a good time to know
Who is sitting close beside you
And smile and say "hello"
Goodbye lonesome feeling, farewell glassy stare
Here's my hand, my name is ___________
So put yours right there.

(Gee Mum) I WANNA STAY
The busses that you ride in, they say are mightly fine,
But when they turn a corner, they leave the wheels behind.

Chorus:
Oh, I still want to live the Scout Camp Life. (or I still want to stay a camper here).
Oh, Mom, I want to stay, Gee, Mom, I want to stay,
Gee, Mom, I want to stay here.

The leaders that they give us, they say are mighty fine,
But when you get up closer, they look like frankenstein.

The porridge that they give you, they say is mighty fine,
It's good for washing dishes, and gives your boots a shine.

The first aid that they give you, they say is mighty fine,
But if you cut your finger, you're left with only nine.

The water that they have here they say is mighty fine,
But when you try to drink it, it tastes like turpentine.

The soft drinks that they give you, they say are mighty fine,
They're good for cuts and bruises, and taste like iodine.

The biscuits that they give us, they say are mighty fine
But one rolled off the table and killed a friend of mine

The spagetti that they feed us, they say is mighty fine
But if you snap your laces, it fills in mighty fine,

The cocoa that they give you, they say is mighty fine
It's good for cuts and bruises and tastes like iodine.

The tents/cabins that we sleep in, they say are mighty fine
But whoever said this has never slept in mine.

The toilets that they have here are the best that they can get
Last night my tent mate had to go, they haven't found him/her yet.

(Leaders verse: The cub scouts that the send us, they say are mighty fine,
Supposed to be like angels, but devils all the time)

**JAKE THE PEG**

(Rolf Harris)

I'm Jake the Peg, diddle-iddle-iddle-um
With my extra leg, diddle-iddle-iddle-um
Wherever I go through rain and snow
The people always let me know
There's Jake the peg, diddle-iddle-iddle-um
With his extra leg, diddle-iddle-iddle

The day that I born (oh boy) my father nearly died
He couldn't get my nappies on, how matter how he tried
'Cos I was born with an extra leg, and since that day begun
I had to learn to stand on my own three feet
Believe me that's no fun
[Chorus]

I had a dreadful childhood really, I s'pose I shouldn't moan
Each time they had a three legged race, I won it on me own
And also I got popular, when came the time for cricket
They used to roll my trousers up
And use me for the wicket
[Chorus]

I was a dreadful scholar, I found all the lessons hard
The only thing I knew for sure, was three feet make a yard
To count to ten I used me fingers, if I needed more
By getting my shoes and socks off
I could count to twenty four
I'm Jake the [stops to count] ...to twenty five
I'm Jake the peg, diddle-iddle-iddle-iddle-um
With my extra leg, diddle-iddle-iddle-um

Whatever I did they said was false
They said "quick march" I did the quick waltz
Then they shouted at me "put your best foot forward" - but which foot?
I said "it's very fine for you, you only got a choice of two"
But me, I'm Jake the Peg, diddle-iddle-iddle-um
With the extra leg... diddle-iddle-iddle-um

**JAYBIRD**

Leader recites each line, repeated by campers. Try varying loudness upwards, then drop to a whisper; use a western drawl or funny voices and kids try to do the same.

Way down south and not far off
The jaybird died of the whooping cough
He whooped and he whooped till his head fell off
The jaybird died of the whooping cough.
(Leader: one more time and a little bit louder...)

**JOEY SCOUT SONG/GAME**  (Tune: Jingle Bells)
For a game: 1. Use a ping pong ball and pass it around a circle of Joys. Everyone else pretends to do the same. One person in the middle of the circle must identify who has the real ping pong ball.

2. Thread a large bead or practice golf ball (with holes) onto a long piece of string or wool which is long enough to encircle your Joey. Tie off. Everyone stands holding the string and pretends to be slipping the ball to their neighbour. Proceed as in Version 1.

Little ball pass along, gaily on your way
As we sing our Joey song, you must never stray
Till at last our song is past, we set out to find
In which pair of Joey hands, you've been left behind.

**JOEY SCOUTS**  (Tune: Jingle Bells)

where there is injury, your pardon, Lord,
and where there's doubt, true faith in you:

so much to be consoled as to console;
to be understood as to understand,
to be loved, as to love with all my soul!

Make me a channel of your peace:
where there's despair in life let me bring hope,
where there is darkness, only light,
and where there's sadness, ever joy:

Make me a channel of your peace:
it is in pardoning that we are pardoned,
in giving of ourselves that we receive,
and in dying that we're born to eternal life.

A repeating song: Leader sings a line and everyone repeats it. Lastly, sing it through once all together without repeats.

My highland goat (repeat)
Was feeling fine
Ate six red shirts
From off the line
My master Jack

And tied him to
The railroad track
The whistle blew
The train drew nigh
My highland goat
Was doomed to die
He gave a groan
Of awful pain
Coughed up those shirts
And flagged the train.

My high school hat, and it looked like THAT (make 1cm between thumb and forefinger)

"Threw him/her out the window, the window,
The second storey window,
With a heave and a ho and a great big throw,
Threw him/her out the window."

Immediately the next group must start singing/reciting their chosen rhyme or they're out.
You need to 'conference' together while the chorus is being sung.

OH! SUSANNA
I come from Alabama with my banjo on my knee,
I'm going to Louisiana, my true love for to see.
It rained all night the day I left, the weather it was dry
The sun so hot I froze to death, Susanna, don't you cry.

Chorus
Oh! Susanna, Oh don't you cry for me,
For I come from Alabama with my banjo on my knee.

I had a dream the other night, when everything was still;
I thought I saw Susanna dear, a coming down the hill.
A buckwheat cake was in her mouth, a tear was in her eye,
Says I, I'm coming from the south, Susanna, don't you cry.

I soon will be in New Orleans, and then I'll look around,
And when I find Susanna, I'll fall upon the ground.
But if I do not find her, then I will surely die,
And when I'm dead and buried, Oh, Susanna, don't you cry.

Tune: On Top of Old Smokey  
**D G D**

On top of spaghetti, all covered in cheese  
**A7 D**

I lost my poor meatball, when somebody sneezed.  
It rolled off the table, and onto the floor  
And then my poor meatball, it rolled out the door.  
It rolled down the gutter, and under a bush  
And now my poor meatball, is nothing but mush.

The rains came and soaked it, as wet as can be  
And early next summer it grew to a tree.  
The tree was all covered with beautiful moss  
It grew lovely meatballs all covered in sauce.  
If you eat spaghetti, all covered in cheese
Hang on to your meatball and don’t ever sneeze!

**ON TOP OF OLD SMOKEY**

D  G  D

On top of old Smokey, all covered with snow,

A7  D

I lost my true lover from courting too slow.

Now, courting is pleasure and parting is grief,
And a false-hearted lover is worse than a thief.

For a thief will just rob you and take what you have,
But a false-hearted lover will lead you to the grave.

And the grave will decay you and turn you to dust;
Not one boy in a hundred a poor girl can trust.

They’ll hug you and kiss you and tell you more lies,
Than cross ties on a railroad or stars in the skies.

So, come all you young maidens and listen to me,
Never place your affection on a green willow tree.

For the leaves they will whither, and the roots they will die,
You’ll all be forsaken and never know why.

It only takes a spark to get a fire going.
And soon all those around can warm up in its glowing.
That's how it is with God's love, Once you've experienced it,
You spread His love to everyone; You want to pass it on.

What a wondrous time is spring, when all the trees are budding;
The birds begin to sing, the flowers start their blooming.
That's how it is with God's love;
Once you've experienced it,
You want to sing, "It's fresh like spring",
You want to pass it on.

I wish for you my friend, this happiness that I've found.
You can depend on Him, it matters not where you're bound.
I'll shout it from the mountain top,
I want the world to know;
The Lord of love has come to me,
I want to pass it on.

Blood on the boulders, blood on the ground, Great big blobs of blood all around.

**PINEWOOD DERBY RACING SONG** Tune :Take me out to the ball game

Take me out to the pinewood, take me out to the crowd.
Buy me some graphite and a sanding block, I don't care if I ever get back.
We will root root root for my racer,
If I don't win you can say.
That I cut, sanded and designed it my self
In the Cub Scout Way!
B'gosh their starting the race now, I see my friend's in the heat
He's standing there biting his fingernails, But I am sure that he'll never be beat!
For, We'll root root root for my den-mate,
If he doesn't win we can say.
That he cut, sanded, and designed it him self
In the Cub Scout Way!
The Scouts have declared a winner,
And I am proud to say,
My racer, it got to the end of the track,
And my den leader let me bring it back,
For a second heat in consolation,
Was my decision today.
But I cut, sanded, and designed it myself
In the Cub Scout Way!

**POP! GOES THE WEASEL** A Dance
Organise everyone into groups of 3. You will need at least 5 groups to make this viable.
Two people stand together and hold hands. The third person stands in front of them, all facing the same way. The front person holds hands behind him to the other two people, to form a triangle. Form these groups of 3 into a circle, all facing the same way. Sing the song and walk around the circle. On “POP” the front person stops and bobs down, lets go of hands; the back 2 people lift their joined hands over the front person and join up with the front person from the group which was in front of them. Thus, the front person goes backwards as the back pairs progressively overtake them. Swap front and back people occasionally.
Tune: traditional Pop Goes the Weasel.

1. Half a pound of tuppenny rice, half a pound of treacle,
   That's the way the money goes, POP! goes the weasel.
2. Round and round the merry-go-round the monkey chased the weasel
   The monkey stopped to pull up his socks, POP! goes the weasel.
3. Every night when I get home the monkeys on the table
   Get a broom and knock him off, pop goes the weasel

Then no more will I roam now I'm heading right for home
Along the road to Gundagai.

**RUNNING BEAR**  
by J.P. Richardson

By the banks of the river, stood Running Bear, young Indian brave.

On the other side of the river stood his lovely Indian maid.

Little White Dove was her name, such a lovely sight to see.

But their tribes fought with each other, so their love could never be.

Chorus:

Oh, Running Bear loved Little White Dove with a love big as the sky.

Oh, Running Bear loved Little White Dove with a love couldn't die.

They couldn't swim the raging river, because the river was too wide.

He couldn't reach his Little White Dove waiting on the other side.

In the moonlight he could see her blowing kisses cross the waves.

Her little heart was beating faster waiting for her brave.

Running Bear dived in the water, Little White Dove did the same.

As they swam towards each other through the swirling waves they came.

As their hands touched and their lips met, the raging river pulled them down.

We like those bare necessities, those SCOUTING bare necessities;
That keep a Scout's life busy and full of fun.
We've got those bare necessities, the simple things to rest at ease;
While the rest of folks have campers with TV's.
I'm talkin' about cooking on an open fire; With only a tin can and part of a tire.
The food may smell a bit too strong;
But the aftertaste does not stay long.
And I know that you'll surely agree,
It sticks to your ribs and fills your tummy, Now sing along with me!
The bare necessities of life is Scouting's way,
We're sure today,
It's the Best Way !

SING A SONG OF SUNSHINE  Tune: Sing a Song of Sixpence
Sing a song of sunshine, be happy every day,
Sing a song of sunshine, you'll chase the clouds away.
Be happy every moment, no matter what you do
Just help and care and share and sing and let the sun shine through.

SING, SING A SONG

Sing, sing a song
Sing out loud, sing out strong
Sing of good things, not bad
Sing of happy, not sad

Sing, sing a song
Make it simple to last your whole life long
Don't worry that it's not good enough
For anyone else to hear
Just sing, sing a song

Sing, sing a song
Let the world sing along
Sing of love that could be
Sing for you and for me

**SINGIN' IN THE RAIN**

I'm Singin' in the Rain, just singin' in the rain,
What a glorious feeling I'm happy again
STOP!
Hands together! (they echo & do motion)
A-root-chy-cha, a-root-chy-cha, a-root-chy-cha CHA!
A-root-chy-cha, a-root-chy-cha, a-root-chy-cha CHA!

(Keep going back to the beginning, adding one motion each time and doing the "root-chy-cha" chorus. During the chorus, kids are moving to the beat.)
Keep adding more movements –
Wrist's together!
Elbows together!
Knees together....
Toes together....
Bottom out....
Head back....
Eyes closed....
Tongue out.....

**SISTER MARY**  Tune: Comin’ through the Rye

Sister Mary bought a canary, from the butcher boy,
She went and hung it in the dairy, where it was her joy,
But the bird would never whistle, and she wondered why,
Until she saw the sparrow’s feathers, coming through the dye.

**SIX LITTLE DUCKS**

D A7
Six little ducks that I once knew
      D
Fat ones, skinny ones, tall ones too
         A7
But the one little duck with the feather in his cap
D G A7 D
He led the others with a quack, quack, quack

Chorus:
Quack, quack, quack
Quack, quack, quack
He led the others with a quack, quack, quack
Down to the river they would go
Widdle waddle, widdle waddle, to and fro
But the one little duck with the feather in his cap
He led the others with a quack, quack, quack
Into the water they would dive
Over and under the other five
But the one little duck with the feather in his cap
He led the others with a quack, quack, quack

(Slowly) Home from the river they would go
Wibble Wabble, Wibble Wabble, Ho Hum Ho
(Back to fast speed) But the one little duck with the feather in his cap
He led the others with a quack, quack, quack

**SIX SILLY SNAKES**  Tune: Twinkle twinkle little star

Six silly snakes sang six silly songs
Some sang softly and some sang strong
Six silly snakes sang so they say
Some slithered south and some snakes stayed
Six silly snakes sang six silly songs
Some sang softly and some sang strong.

**SIX WHITE BOOMERS**  (Rolf Harris)

Early on one Christmas Day, a Joey Kangaroo
Was far from home and lost in a great big zoo
Mummy, where's my mummy, they've taken her away
We'll help you find your mummy son, hop on the sleigh

[Verse:
Up beside the bag of toys, little Joey hopped
But they hadn't gone far when Santa stopped
Un-harnessed all the reindeer and Joey wondered why
Then he heard a far off booming in the sky

[Chorus:
Six white boomers, snow white boomers
Racing Santa Claus through the blazing sun
Six white boomers, snow white boomers
.. On his Aus-tralian run

Pretty soon old Santa began to feel the heat
Took his fur-lined boots off to cool his feet
Into one popped Joey, feeling quite OK
While those old man kangaroos kept pulling on the sleigh

Joey said to Santa, Santa, what about the toys
Aren't you giving some to these girls and boys
They've all got their presents son, we were here last night
This trip is an extra trip, Joey's special flight

Soon the sleigh was flashing past, right over Marble Bar
Slow down there, cried Santa, it can't be far
Come up on my lap son, and have a look around
There she is, that's mummy, bounding up and down

Well that's the bestest Christmas treat that Joey ever had
Cared up in mother's pouch all snug and glad
The last they saw was Santa headed northward from the sun
The only year the boomers worked a double run

**SKYE BOAT SONG**

Chorus:
Speed, bonnie boat, like a bird on the wing.
Onward! the sailors cry.
Carry the lad that's born to be king
Over the sea to Skye.

Loud the winds howl, loud the waves roar,
Thunderclouds rend the air.
Baffled, our foes stand on the shore.
Follow, they will not dare.

Though the waves leap, soft shall ye sleep,
Ocean's a royal bed.
Rocked in the deep, Flora will keep
Watch by your weary head.

**STAR OF THE EVENING**  an action replacement song- sing once through, then each verse replace the action words only with the action.  So you sing “well you…… and you….and the……” with action in between.

(repeat the last 2 lines)

**STEWBALL**

C  Am  Dm
Oh Stewball was a racehorse, and I wish he were mine.
G  G7  C  F  C
He never drank water, he always drank wine.

His bridle was silver, his mane it was gold.
And the worth of his saddle has never been told.

Oh the fairgrounds were crowded, and Stewball was there
But the betting was heavy on the bay and the mare.

As they were approaching, About half-way round
The grey mare she stumbled, and fell to the ground
And a-way up yonder, ahead of them all,
Came a-prancin' and a-dancin' my noble Stewball.

I bet on the grey mare, I bet on the bay
If I'd have bet on ol' Stewball, I'd be a free man today.

Oh the hoot-owl, she hollers, and the turtledove moans.
I'm a poor boy in trouble, I'm a long way from home.
Oh Stewball was a racehorse, and I wish he were mine.
He never drank water, he always drank wine

[Repeat, humming the first line, singing the rest. Repeat again, humming the first 2 lines, singing the rest, and so on until the whole song is hummed. Then sing through]

</table>

Swing low, sweet chariot, comin’ for to carry me home;

| D | D7 | G | D | A7 | D |

Swing low, sweet chariot, comin’ for to carry me home.

I looked over Jordan, and what did I see,
Comin’ for to carry me home;
A band of angels coming after me,
Comin’ for to carry me home.

If you get to heaven before I do,
Comin’ for to carry me home;
Just tell all my friends that I’m a-coming too,
Comin’ for to carry me home.
I'm sometimes up and sometimes down,  
Comin' for to carry me home;  
But still my soul feels heavenly bound,  
Comin' for to carry me home.

I've never been to heaven, but I've been told,  
Comin' for to carry me home;  
That the streets in heaven are paved with gold,  
Comin' for to carry me home.

**TAPS**  
Day is done, gone the sun  
From the sea, from the hills, from the sky,  
All is well, safely rest, God is nigh.

Fading light, dims the sight,  
And a star gems the sky, gleaming bright.  
From afar, drawing nigh, falls the night.

Thanks and praise, for our days,  
'Neath the sun, 'neath the stars, neath the sky;  
As we go, this we know, God is nigh.

Sun has set, shadows come,  
Time has fled, Scouts must go to their beds  
Always true to the promise that they made.

While the light fades from sight,  
And the stars gleaming rays softly send,  
To thy hands we our souls, Lord, commend.

(see the MacScouter website for the history of Taps)

Today's the day the teddy bears have their picnic.

**TWO LITTLE BOYS**  (Ted Egan & Rolf Harris)

Two little boys had two little toys, Each had a wooden horse
Gaily they played each summer's day, Warriors both of course
One little chap then had a mishap, Broke off his horse's head
Wept for his toy then cried with joy, As his young playmate said:-
Did you think I would leave you crying, When there's room on my horse for two,
Climb up here Jack and don't be crying, I can go just as fast with two.
When we've grown up we'll both be soldiers, And our horses will not be toys,
And I wonder if we'll remember, When we were two little boys
Long years passed, war came so fast, Bravely they marched away
Cannon roared loud, and in the mad crowd, Wounded and dying lay
Up goes a shout, a horse dashes out, Out from the ranks so blue
Gallops away to where Joe lay, Then came a voice he knew

Tucker train, tucker train, tucker train............(fade)

UNDERWEAR SONG  Tune: Bye Bye Blackbird  
I have lost my underwear  
I don't care, I'll go bare!  
Bye bye long johns  
How they used to comfort me  
Tickle me tee hee hee  
Bye Bye long johns  
How I miss that little trap door behind me,  
When you see them, tell them where to find me,  
I have lost my underwear,  
I don't care, I'll go bare  
Long johns, bye bye.  

The Unicorn  
A long time ago when the earth was green  
There were more kinds of animals  
Than you've ever seen  
They'd run around free  
When the earth was being born  
But the loveliest of them all was the Unicorn  

CHORUS: There was green alligators  
And long-necked geese  
Some humpy-backed camels  
And some chimpanzees  
Some cats and rats and elephants  
But sure as you're born  
The loveliest of all was the Unicorn  

Now God seen some sinnin'  
And it gave him pain  
And he says, "Stand back,  
I'm going to make it rain."  
He says, "Brother Noah  
I'll tell you what to do  
Build me a floating zoo, and  
Take some of them..."  

Green alligators  
And long-necked geese  
Some humpy-backed camels  
And some chimpanzees  
Some cats and rats and elephants  
But sure as you're born  
Don't you forget my Unicorn
Old Noah was there to answer the call
He finished makin' the Ark
Just as the rain started fallin'
And he called out
As they went through,
"Hey Lord, I got you..."

Green alligators
And long-necked geese
Some humpy-backed camels
And some chimpanzees
Some cats and rats and elephants
But Lord I'm so forlorn
I just can't see no Unicorns

Then Noah looked out
Through the driving rain
Them Unicorns were hiding
Playin' silly games
Kickin' and splashin'
When the rain was pourin'
Oh, them silly Unicorns

There was green alligators
And long-necked geese
Some humpy-backed camels
And some chimpanzees
Noah cried "Close the door
'cuz the rain is pourin'
And we just can't wait for no Unicorns."

The Ark started movin'
It drifted with the tide
Them Unicorns looked up
From the rocks and they cried
And the waters came down
And sort of floated them away
And that's why you've never seen
A Unicorn to this very day

You'll see some green alligators
And long-necked geese
Some humpy-backed camels
And some chimpanzees
Some cats and rats and elephants
But as sure as you're born
You're never gonna see no Unicorns

UP THE IRISH SEA
When I was 1 I sucked my thumb and sailed away to sea,
I jumped aboard a pirate ship and the Captain said to me
"We're sailing north southeast west and UP the Irish Sea
"A bottle of rum to fill my tum, and that's the life for me".

Verses: when I was 2 I tied my shoe
when I was 3 I climbed a tree
when I was 4 I shut the door
when I was 5 I learned to dive
when I was 6 I picked up sticks
when I was 7 I prayed to heaven
when I was 8 I slammed the gate
when I was 9 walked the line
when I was 10 I did it again

C G7 C F
Under the shade of a coolabah tree

C G7 C F
And he sang as he watched and waited till his billy boiled

Who'll come a-waltzing Matilda with me?

Chorus:

C F
Waltzing Matilda, waltzing Matilda

C G7

(repeat last 2 lines of the verse)

Down came a jumbuck to drink at the billabong
Up jumped the swagman and grabbed him with glee
And he sang as he shoved that jumbuck in his tucker bag
You'll come a-waltzing Matilda with me. (Chorus)

Up rode the squatter, mounted on his thoroughbred
Down came the troopers One, Two, Three
Where's that jolly jumbuck you've got in your tuckerbag?
You'll come a-waltzing Matilda with me. (Chorus)

"You'll never take me alive" said he
And his ghost may be heard as you pass by that billabong
You'll come a-waltzing Matilda with me. (Chorus)

When I first came to this land

And I did what I could.

And I called my wife - Love of my life (run for your life)
And I called my donkey - Horse gone wonkey
And I called my duck - Out of luck
And I called my hen - Now and then
And I called my cow - no milk now
And I called my shack - Break my back
But the land was sweet and good
And I did what I could

Wrong end, wrong end,

WORKING ON THE RAILROAD

I've been working on the railroad
All the live long day
I've been working on the railroad
Just to pass the time away
Don't you hear the whistle blowing
Rise up so early in the morn
Don't you hear the captain shouting
Dinah blow your horn

Dinah won't you blow
Dinah won't you blow
Dinah won't you blow your horn
Dinah won't you blow
Dinah won't you blow
Dinah won't you blow your horn

WOAD (Tune: March of the Men of Harlech)
What's the good of wearing braces,
Vest and pants and boots with laces,
Spats and hats you buy in places,
Down on Brampton Road.

What's the use of shirts of cotton
Studs that always get forgotten?
These affairs are simply rotten
Better far is WOAD!

Woad's the stuff to show men,
Woad to scare your foe men.
Boil it to a brilliant hue,
And rub it on your back and your abdomen.

Ancient Britain never did hit on
Anything as good as woad to fit on
Neck or knees or where you sit on
Tailors you be blowed!

Romans came across the Channel
All dressed up in tin and flannel
Half a pint of woad per man'll
Dress us more than these

Saxons you can waste your stitches
Building beds for bugs in britches
We have woad to clothe us which is
Not a nest for fleas

Romans keep your armours
Saxons your pyjamas
Hairy coats were meant for goats
Gorillas, yaks, retriever dogs and llamas

March on Snowdon with your woad on
Never mind if we get rained or snowed on
Never wants a button sewed on
Bottoms up to Woad!

**WORMS**
Nobody loves me, everybody hates me
Think I'll go and eat worms,
Long thin skinny ones, short fat juicy ones,
Watch them wriggle and squirm.
You bite their heads off, suck their guts out
Throw their skins away
And nobody knows how well we'll live
On worms three times a day.
Long thin skinny ones slip down easily
Big fat juicy ones stick,
Hold your head back, squeeze their tail
And the juice goes click, click, click.

**XANADU** (A dance)

Do you know the Xanadu, the Xana-Xana-du
OI! (action: bring right hand into circle and yell OI!)
Actions for next verses: repeat words, but move hands to 2. waists, 3. hips, 4. knees and finally 5. feet

**YOU ARE MY SUNSHINE**
Chorus:
You are my sunshine, my only sunshine,
You make me happy when skies are gray.
You'll never know dear, how much I love you;
Please don't take my sunshine away.

The other night dear, when I was sleeping,
I dreamt I held you in my arms.
When I awoke dear, I was mistaken;
So I hung my head and I cried.

I’ll always love you and make you happy,
If you will only say the same,
But if you leave me to love another,
You’ll regret it all some day.

You told me once, dear, you really loved me,
And no one else could come between.
But now you’ve left me and love another,
You have shattered all my dreams.

**YOU BRUSH YOUR TEETH**

A quarter to 3 – feel like having a bit of a spree
A quarter to 4 – find yourself lying on the floor
A quarter to 5 – feel like you’re more dead than alive
A quarter to 6 – find yourself in a terrible fix
A quarter to 7 – no more toothpaste – thank heaven!

**YOU’LL NEVER GET TO HEAVEN.**
You’ll never get to heaven
In an old Ford car
‘Cos an old Ford car
Won’t go that far

You’ll never get to heaven in an old Ford car
‘Cos an old Ford car won’t go that far
I ain’t gonna grieve my Lord no more.

I ain’t gonna grieve my Lord
I ain’t gonna grieve my Lord
I ain’t gonna grieve my Lord no more.

You’ll never get to heaven in a limousine
‘Cos the Lord ain’t got no gasoline.

You’ll never get to heaven in a Jumbo jet
‘Cos the Lord ain’t got no runways yet.

You’ll never get to heaven in a Girl Guides arms
‘Cos the Lord doesn’t want those feminine charms.
You’ll never get to heaven in a biscuit tin
‘Cos a biscuit tin’s got biscuits in.

You’ll never get to heaven in an apple tree
‘Cos an apple tree’s got roots you see

Oh, you can’t get to heaven On roller skates
You’ll roll right by Those pearly gates.

Oh, you can’t get to heaven in a rocking chair
‘Cause the rocking chair won’t take you there.

Oh, you can’t get to heaven in a trolley car
'Cause the gosh darn thing won't go that far.

Oh, you can't get to heaven on a rocket ship
'Cause the rocket ship won't take that trip.

Oh, you can't get to heaven with powder and paint
'Cause the Lord don't want you as you ain't.

Oh, you can't get to heaven in a limousine
'Cause the Lord don't sell no gasoline.

Oh, you can't get to heaven on a pair of skis
'Cause you'll schuss right through St. Peter's knees.

If you get to heaven before I do,
Just bore a hole and pull me through.

If I get to heaven before you do,
I'll plug that hole with shavings and glue.

"That's all there is. There ain't no more,"
St. Peter said, and closed the door.

You'll never get to heaven in dirty jeans,
'Cos the Lord don't have no washing machines.

You'll never get to heaven on a playtex bra,
'Cos a playtex bra won't stretch that far.

You'll never get to heaven in a rocking chair,
'Cos the Lord He keeps no lazybones there.

You'll never get to heaven on a bottle of gin,
'Cos the Lord won't let no drunkards in.

You'll never get to heaven on a bottle of stout,
'Cos the Lord he throws all drunkards out.

Oh, you can't get to heaven if your newly wed
Cause the Lord ain't got no double bed!

You'll never get to heaven on a ping pong ball
'Cos a ping pong ball is far too small!

You'll never get to heaven in a biscuit tin
'Cos the Lord don't let no crummy ones in!

You'll never get to heaven on a Boy Scout's knee
'Cos you never know where his hands will be!!!
[To be sung in selected company!]

You'll never get to Heaven in [someone's name]'s car
'Cos [someone's name]'s car won't get that far!

You'll never get to Heaven with a dog as a pet
'Cos the Lord ain't got no lamp posts yet!

You'll never get to heaven in a jumbo jet
'Cos the Lord ain't got no runways yet!

You'll never get to heaven in a bottle of gin
'Cos the Lord won't let no spirits in!

You'll never get to heaven in a bottle of whisky
'Cos the Lord don't like his angels frisky!

If you get there before I do
Just dig a hole and pull me through.

If I get there before you do
I'll dig a hole and spit on you!

"And that is all," St Peter said
As he closed the gates and went to bed.

There are three things you must not do:
You must not spit or smoke or chew.

Oh you'll never get to heaven in a baked bean tin
'Cos a baked bean tin's got baked beans in!

You can't get to heaven in an electric chair,
'Cause the Lord don't allow no fried meat there!

You can't get to heaven in a strapless gown,
'Cause the Lord's afraid it might fall down!

Oh you can't get to heaven with hippy hair,
The Lord don't allow that mess up there!

Oh you can't get to heaven in a mini skirt,
The Lord don't allow that girly flirt.

The Story of Ging Gang Gooli

Instructions: divide audience into 3 measured groups. Teach them the words:

2. ONE QUARTER  hayla, hayla-shayla, hayla-shayla, hayla o-oh, hayla, hayla-shayla, hayla-shayla, hayla oh

In deepest darkest Africa there is a legend concerning the Great Grey Ghost Elephant. Every year after the rains, the great grey ghost elephant arose from the mists and wandered through the land at dawn. When he came to a village he would stop and sniff the air, then he would either go around the village or through it. If he went around the village they would have a prosperous year, if he went through the village there would be hunger and drought.

The village of Wat-Cha had been visited 3 years in a row by the elephant and things were very bad indeed. The village leader, Ging-Ganga was very worried, as was the medicine man Hayla-Shay. Together they decided to do something about the problem. Now, Ging-Ganga and his warriors were huge men with big shields and spears. They decided to stand in the way of the elephant and shake their shields and spears at it to frighten it away. Hayla-Shay was going to cast magic spells to deter the elephant by shaking their medicine bags as the elephant approached, which made the sound shalli-walli shalli-walli.

Very early in the morning of the day the Great Grey Ghost Elephant came, the villagers gathered at the edge of the village. On one side were Ging-Ganga and his warriors (indicate that group) and on the other side was Hayla-Shay and his followers (indicate that group).

As they waited the warriors sang softly about their leader Ging gang gooli gooli gooli gooli watch-a ging gang goo, ging gang goo (and repeat). As they waited, the medicine men sang of their leader Hayla, hayla-shayla, hayla-shayla, hayla oh etc. And they shook their medicine bags shalli-walli shalli-walli shalli-waliy shalli-walli.

And from the river came the Great Grey Ghost Elephants reply oompah oompah oompah oompah. The great elephant came closer, so the warriors beat their shields and sang louder (stand, clap and beat thighs in time) ging gang gooli etc. Then the medicine men arose and sang loudly (stand and do same action) hayla hayla-shayla etc. And they shook their medicine bags shalli-wally etc.

And the mighty elephant turned aside and went around the village saying oompah oompah oompah oompah. There was great rejoicing in the village and all people came together to sing…. (now put the whole song together with the elephants chanting oompah). Change sides so singers now do oompahs.

An Aussie version of the Ging Gang Goolie Story
In the outermost outback of Australia, there is a legend told about the Great Grey Ghost Wallaby, which has been commemorated in a popular campfire song.

Every year, after the summer rains, the Great Grey Ghost Wallaby arose at dawn from the misty shallows of his billabong and wandered throughout the land. When he came to a camp, he would stop, shake of the water, snort, and sniff the air. Then he would either go around the camp or through it. If he went around the camp, that tribe would have a prosperous year, but if he went through the middle of the camp, that tribe would suffer wars, hunger and drought.

The camp of the warring Cha tribe had been ravaged by the Great Grey Ghost Wallaby three years in a row, so fighting hunger and drought had grown very bad indeed. The tribal elder and one time fast-bowler, Ging Gang, was very worried that the mighty Wallaby would strike again, as was Ging Gang's arch-enemy the Spirit Man, a former Irish priest named Shayla O'Hayler. But sick of all the problems, they resolved to do something together about the Great Grey Ghost Wallaby, and so put an end to the warring between themselves and their followers, and the resulting terrible hunger and drought.

Now Ging Gang and his warriors were huge men, with big cricket bats and stumps. They decided to stand in the path of the Great Grey Ghost Wallaby and beat their cricket bats and stumps at the Great Grey Ghost Wallaby and frighten it away. Shayla O'Hayler and his spirit men planned to cast magic spells and deter the Wallaby, by clapping their hands at the approach of the mighty Wallaby.

So, very early on the morning of the day that the Great Grey Ghost Wallaby (indicate centre) was due to leave the shallows of his billabong, the warring Cha tribe gathered at the edge of their camp. One side stood Ging Gang and his warriors (indicate right), and on the other side was Shayla O;Hayler and his spirit men (indicate left).

As they waited, the warriors of Cha sang softly about their cricketing elder, 
Ging Gang gooli gooli gooli goooli war-Cha, Ging Gang goo, Ging Gang goo (and repeat).

As they waited, the spirit men clapped their hands and sang of their Irish leader, 
Hayler, O'Hayler-Shayla, O'Hayla-Shayla, Shayla oh (rpt)

Then, through the misty shallows of the billabong, the Great Grey Ghost Wallaby emerged:
shallow-wally shallow-wally shallow-wally shallow-wally.
and the mighty Wallaby gave a long reply, in deep haunting tones
oompa oompa oompa oompa.

The Great Grey Ghost Wallaby came closer to the camp, so Ging Gang's warrior's beat their cricket bats and stumps and sand louder (signal warriors to stand and beat their thighs in time)
Ging Gang gooli gooli goooli war-Cha, Ging Gang goo, Ging Gang goo (and repeat).

Then Shayler O'Hayler's spirit men rose, clapped their hands wildly and sang louder still, (signal spirit men to stand and clap their hands)
Hayler, O'Hayler-Shayla, O'Hayla-Shayla, Shayla oh (rpt)

The Great Grey Ghost Wallaby stopped, shook off the water from the shallows of the billabong (signal Great Grey Ghost Wallabies to stand and shake their bodies)
shallow-wally shallow-wally shallow-wally shallow-wally.
then the mighty Wallaby snorted, turned aside and went around the camp, loudly rumbling,
oompa oompa oompa oompaa......

There was great rejoicing in the camp, all the Cha tribe stopped warring. Ging Gang and his warriors joined together with Shayler O'Hayler and his spirit men, to live happily ever after and still sing to this day,
Ging Gang Gooli......
