Little Town of Ban Me Thuot

Little town of Ban Me Thuot
How still we see thee lie,
The grasshoppers are all at play,
Silent in the night.

Light in the dark streets shineth
A flashing MACV flag,
The end soon will have to die,
And ARVN they do fight.

The Twelve Days of Christmas

On the first day of Christmas
The VC gave to me...

Some plastic in a Dauphine
3 hand grenades
2 cuaji stakes
4 fallen flowers
5 claymore mines
6 satchel charges
7 birds a shrinking
9 bar girls drinking
9 Saigon teas
10 tanks of napalm
11 Montagnards
12 butterflies

You Better Bug out

Oh, you better bug out,
You better get high
Draw your weapon
I'm telling you why,
Ho Chi Minh is coming to town.

He knows when ARVN's sleeping
MACV is never awake,
He knows your ammo is never good,
So bug out for goodness sake.

Chorus... Oh, you better bug out...
Mine eyes have seen the fragments of a dozen hand grenades,
There were booby traps and punji stakes among the jungle vines...

Gory, Gory, we were ambushed,
Gory, Gory, we were ambushed,

Gory, Gory, we were ambushed,
And we ain't going to fight no more.

You better bug out,
You better get high
Draw your weapon,
I'm telling you why,
Ho Chi Minh is coming to town.

He knows when ARVN's sleeping
MACV is never awake,
He knows your arm is never good,
So bug out for goodness sake.

Chorus of You better bug out...

The first Hotel
to be zapped was the Brick
And the last was the Metropole
Westmoreland things
Away in a hanger
No crib for his bed,
The little Westmoreland
Lay down his sweet head.

Uncle Ho Chi Minh locked down
Upon Saigon City

Here comes PAVN
Here comes PAVN
Down the Ho Chi Minh Trail

Deck the halls with Victor Charlie
Little Town of Ban Me Thakt

O little town of Ban Me Thakt
How still we see thee lie,
The good Rhade are all at play,
Uprising in the night.

Yet in the dark streets shineth
A blazing FUL.CO flag.
The bad Jarai will have to die,
As ARVN they do fight.
