

### **CHEER BOYS CHEER**

One dark night when we were all in bed,  
Old Mrs. O'Leary left a light on in the shed,  
The cow kicked it over and winked her eye and  
said,  
"There'll be a hot time in the old town tonight."

Cheer, boys cheer, the school is burning down,  
Cheer, boys cheer, it's burning to the ground,  
Cheer, boys cheer, it's the only school in town,  
There'll be a hot time in the old town tonight.

### **CAPTAIN JACK**

Heigh, ho, Captain Jack,  
Meet me by the railroad tracks,  
With a knife in your hand,  
I want to be a killer man.

### **CHORUS**

Your left, your left, your military left,  
Your left, your right, now pick up your step,  
Your left, your right, your left.  
With a gun... a gunner man.  
With a sword ... a cutter man.  
With a fish ... a fisherman.  
With a cross ... a preacher man.

### **THE HAPPY WANDERER**

Par le sentier, sous le ciel bleu,  
J'aime a me promener,  
Le sac au dos, le coeur joyeux,  
Je me mets a chanter.

### **CHORUS**

Valderi , valdera,  
Valderi, valdera, ha ha ha ha ha ha ha  
Valderi , valdera

..... (Last line of verse)

(Derniere ligne du verse)

I love to go a wandering,  
Along the mountain track,  
And as I go, I love to sing,  
My knapsack on my back.

Et dans les bois et dans les champs,  
Tous les oiseaux chanteurs,  
Melant leurs voix, melant leurs chants,  
Entonent tous en chœur.

O may I go a wandering,  
Until the day I die,  
O may I always laugh and sing,  
Beneath God's clear blue sky.

Et je serai au longs des jours,  
Avec la meme ardeur,

### **THERE AIN'T NO FLIES**

There ain't no flies on us,  
There ain't no flies on us,  
There may be flies on some of you guys,  
BUT! There ain't no flies on us!

### **LITTLE GREEN FROG**

Gloop, gloop, went the little green frog one day,  
Gloop, gloop went the little green frog,  
Gloop, gloop went the little green frog one-day,  
And they all went gloop, gloop, glob.  
BUT! We all know frogs go,  
LA DE LA DE DA (3x)  
We all know frog go LA DE LA DE DA,  
They don't go gloop, gloop, glob.

### **THE LITTLEST WORM**

The littlest worm,  
I ever saw,  
Got stuck inside,  
My soda straw.

He said to me,  
Don't take a sip,  
For if you do,  
You'll really flip.

I took a sip,  
And he went down,  
All through my pipes,  
He must have drowned.

He was my pal,  
He was my friend,  
And now he's gone,  
And that's the end.

### **ALICE THE CAMEL**

Alice the camel has five (5) humps, (3x)  
So, go, Alice, go  
4 ... 3...

### **3 CHARCOAL BUZZARDS**

3 charcoal buzzards, (3x),  
Sitting on a dead tree,  
Oh look... one has flown away,  
Oh what a shame...

2 charcoal....  
1 charcoal....

No charcoal buzzards, (3x)  
Sitting on a dead tree,  
Oh look... one has returned,  
Let us rejoice...

### **SWIMMING**

Swimming, swimming, in my swimming pool,  
When days are hot, and days are cold,  
In my swimming pool,  
Breast stroke, side stroke, fancy diving too,  
Don't you wish you never had anything else to do?  
BUT! ...

### **AN OLD AUSTRIAN**

An old Austrian went yodeling, on a mountaintop  
high,  
When along came a ...interrupting his cry.  
Yooooooooo lay de  
Yoda lay he ho, Yoda lay he ho he ho, (3x)  
Yoda lay he ho he lay.  
..... An avalanche  
A grizzly bear  
A St. Bernard  
A Jersey cow  
A milking maid  
A Hunter

### **GRAND OLD DUKE OF YORK**

Oh, the grand old Duke of York,  
He had ten thousand men  
He marched them up to the top of the hill,  
And marched them down again.  
And when they were up, they were up,  
And when they were down, they were down,  
And when they were only half way up,  
They were neither up or down.

### **IT'S A GOOD TIME**

(Tipperary)  
It's a good time to get acquainted  
It's a good time to know  
Who is sitting close beside you?  
And to smile and say hello.  
Goodbye that lonesome feeling,  
Goodbye glassy stare,  
Here's my hand my name is \_\_\_\_\_  
Now put yours right there!

### **LE PERE ABRAHAM**

Le pere Abraham,  
Il n'avait pas d'enfant,  
Il n'avait pas d'enfant,  
Le pere Abraham,  
Il ne mangeait pas,

### **LAND OF THE SILVER BIRCH**

Land of the silver birch,  
Home of the beaver,  
Where still the mighty moose,  
Wanders at will,

### **CHORUS**

Blue lake and rocky shore,  
I will return once more,  
Boom diddi-eye-di,  
Boom diddi-eye-di,  
Boom diddi-eye-di, Boom!

There where the blue lake lies,  
I'll build my wigwam,  
Close to the water's edge,  
Silent and still.

### **SINGING IN THE RAIN**

Pa to, pa ta, pa to, pa ta,  
Pa to, pa ta to,  
Pa to, pa ta, pa to, pa ta,  
Pa to, pa ta ta.

Thumbs together,.. hands, elbows in,  
Knees together, toes, bum out, heads wag,  
Tongue out.

I'm singing in the rain,  
Just singing in the rain,  
What a glorious feeling,  
I'm happy again.

### **BRING BACK A CLEAN WORLD**

(My Bonnie)  
The litter blows over the highway,  
The litter blows over the park,  
Unless we do something to stop it,  
The world will be literally dark.  
Pick up, pick-up,  
Oh pick up the litter you see, you see  
Pick up, pick up,  
Oh pick up the litter you see.

God gave us clean air for our breathing,  
Clean water in rivers and streams,  
We fill them with garbage and poisons  
The only clean world's in our dreams  
Bring back, bring back,  
Oh bring back a clean world to me, to me,  
Bring back, bring back,  
Please bring back a clean world to me!

And trust to luck.

And so I jumped  
Into the air,  
And I missed that branch  
Away up there.

Now don't you fret  
And don't you frown,  
'Cos I caught that branch  
On the way back down.

The other day  
Met the bear again,  
Oh, but this time  
I had my gun.

My gun did bang  
My gun did roar  
That bear is now  
A rug on my floor.

### **THE EATS SONG**

(Hail, hail the gang's all here)  
Soup, soup, we all want soup  
Tip your bowl and drain it  
Let your whiskers strain it  
Hark, hark the funny noise  
Listen to the gurgling boys

Meat, meat, we must have meat  
Fresh and just cow meat  
Ham and pickled pigs' feet  
Lamb chops and pork chops too  
Any kind of meat will do

Fish, fish, we must have fish  
We don't want it boney  
Nor a little phoney  
Fresh fish, we won't eat stale  
Any kind of fish but whale!

### **WOLF CUB PRAYER**

(Tannenbaum)

Lord, in this evening hour I pray,  
For strength to do my best each day.  
Draw near to me that I may see  
The kind of Cub that I should be.  
In serving others, let me see,  
That I am only serving Thee.  
Bless me Oh Lord, in Thy great love,  
That I may be a better Cub

The games that were played and the songs that were  
sung,  
In the years between, round the world. They have  
rung.

He gave them the law and promise to,  
And the good turn every scout must do.  
He gave them the motto "Be Prepared"  
That millions of Scouts round the world have  
shared.

The little brothers of the Wolf Cub pack,  
Down the jungle trails, they all must track,  
Opening their eyes until that shining day,  
They "go up" to the troop in the true scouting way

### **MARY HAD A LITTLE LAMB**

(It ain't going to rain no more)

Mary had a little lamb  
Its foot was made of jelly  
And everywhere that Mary went  
That lamb slipped on its belly

### **CHORUS**

Oh it ain't gonna rain no more, no more  
It ain't gonna rain no more  
It rained last week and the week before  
It ain't gonna rain no more.

Mary had a little lamb  
It had a sooty foot  
And everywhere that Mary went  
It's sooty foot it put

Mary had a little lamb  
Her father shot it dead  
Go now she takes that lamb to school  
Between two slabs of bread

Mary had a little lamb  
You've heard this tale before  
But have you heard she passed her plate  
And had a little more

### **SOFTLY FALLS THE LIGHT OF DAY**

Softly falls the light of day,  
As our campfire fades away,  
Silently each Cub should ask,  
'Have I done my daily task?  
Have I tried my best to be  
The kind of Cub you'd like to see?  
Help me Father, now I pray,  
To be a better Cub each day.'

**HE AIN'T GONNA JUMP NO MORE**

Never tie a love knot in a parachutist's chute (3X)  
Cause he ain't gonna jump no more

**CHORUS**

Gory, gory, what a heck of a way to die (3X)  
And he ain't gonna jump no more

The last one out of the airplane and  
The first to hit the ground (3X)  
And he ain't gonna jump no more

They scraped him off the tarmac  
With a shovel and a pail (3X)  
And he ain't gonna jump no more

They put him in an envelope  
And took him home to mum (3X)  
And he ain't gonna jump no more

His mother wasn't home and so  
They pushed him under the door (3x)  
And he ain't gonna jump no more.

**BRING BACK MY NEIGHBOURS TO ME**

One night as I lay on my pillow  
One night as I lay on my bed  
I stuck my feet out of the window  
Next morning my neighbors were dead

**CHORUS**

Bring back, bring back, oh  
Bring back my neighbors to me, to me  
Bring back, bring back, oh  
Bring back my neighbors to me.

One day as I sat in my rocker  
One day as I sat very still  
A firecracker killed off my neighbors  
And made me exceedingly ill

My neighbors looked into the gas tank  
But nothing inside could they see  
They lighted a match to assist them  
Oh, bring back my neighbors to me.

**MUFFIN MAN**

Do you know the Muffin Man?  
The Muffin Man, the Muffin Man,  
Do you know the Muffin Man?  
Who lives in Derry Lane Oh?

Yes I know the Muffin Man,  
The Muffin Man, the Muffin Man,  
Yes I know the Muffin Man,  
Who lives in Derry Lane Oh?

**LONG JOHNS**

I have lost my underwear  
I don't care, I'll go bare  
Bye, bye longjohns

They were very good to me  
Tickled me, he, he, he  
Bye, bye longjohns

Gee, I miss that little trapdoor behind me  
If you see it you'll know where to find me  
I have lost my underwear  
I don't care, I'll go bare  
Longjohns, bye, bye (wave)

**BY THE CAMPFIRE'S LIGHT**

By the blazing campfire light  
We have met in comradeship tonight  
Round about the whispering trees  
Guard our golden memories  
And so before we close our eyes in sleep  
Let us pledge each other that we'll keep  
Scouting friendships strong and deep  
'Til we meet again

**IF YOU'RE HAPPY AND YOU KNOW IT**

If you're happy and you know it  
Clap your hands. (2x)  
If you're 'happy and you know it  
And you really want to show it  
If you're happy and you know it  
Clap your hands.

If you're 'happy and you know it  
Slap your knees (etc.)

If you're happy and you know it  
Stomp your feet (etc.)

If you're happy and you know it  
Shout 'HOORAY' (etc.)

If you're happy and you know it  
Do all four (etc.)

**ON TOP OF SPAGHETTI**

On top of spaghetti,  
All covered with cheese,  
I lost my poor meatball  
When somebody sneezed.

It rolled off the table  
And unto the floor  
The last that I saw it,  
It rolled out the door.

Haunted houses far and near  
To see if you've been spreading gloom  
Or bringing lots of cheer

So, you better not shriek,  
You better not groan  
You better not howl  
You better not moan  
Great Pumpkin is coming to town

### **I WENT TO THE MARKET**

I went to the market  
Mon panier sous mon bras  
The first girl I met  
Was la fille d'un avocat

I love you, vous m'entendez quere  
I love you, vous m'entendez pas

The first girl I met  
Was la fille d'un avocat  
She said what have you got  
Dans le beau p'tit panier la

She said what have you got  
Dans le beau p'tit panier la  
I've got some apples  
M'en n'acheteriez vous pas

I've got some apples  
M'en n'acheteriez vous pas  
I'll take two dozen  
Pis l'bonhomme te paiera ca

She took me two dozen  
Pis l'bonhomme y payait pas  
Such is the business  
With la fille d'un avocat

### **WHAT SHALL WE DO WITH THE CUB?**

What shall we do with the cub who's lazy  
Lies in bed when the morn is rosy  
Won't get up cuz he says he's cozy  
Early in the morning

Hooray and up he rises (3X)  
Early in the morning

Take him and shake him  
And jolly well wake him (3X)

Freshen him up with a pail of water (3X)

Toss him up in his own two blankets (3X)

J'etais jadis un prince  
Perfide et mechant,  
Depeuplant sa province  
Des petits enfant.

Mais des arbres qui flambent,  
Je suis prisonnier,  
Et mes bras, et jambres  
Bruient tout entiers.

C'est moi qui vous eclaire  
Dans les longues nuits.  
Qui vous rend plus legere.  
La peur ou l'ennui.

Les gerbes d'etincelles  
Que je sème au vent  
Emportent sur leurs ailes  
Vos reve d'enfant.

### **I'M A RAINDROP**

(Clementine)  
I'm a blood stain (3x)  
Yes I am  
And I'd rather be a blood stain  
Than a clot!

I'm a raindrop (3x)  
Yes I am  
And I'd rather be a raindrop  
Than a drip!

I'm a teacup (3x)  
Yes I am  
And I'd rather be a teacup  
Than a mug!

I'm a butterfly (3x)  
Yes I am  
And I'd rather be a butterfly  
Than a bug!

I'm a palm tree (3x)  
Yes I am  
And I'd rather be a palm tree  
Than a coconut like you.

I'm a waterfall (3x)  
Yes I am  
And I'd rather be a waterfall  
Than a big drip like you

I'm a suitcase (3x)  
Yes I am  
And I'd rather be a suitcase  
Than a paper bag like you

### EVERYTHING IS BEAUTIFUL

Everything is beautiful  
In its own way  
Like a starry summer night  
Or a snow covered winter's day

Everybody's beautiful  
In their own way  
Under God's Heaven  
The world's gonna find a way

There is none so blind  
As he who will not see  
We must let our thoughts be free  
For every hour that passes by you know  
The world gets a little bit older

Everything is beautiful .....

### MORNING HAS BROKEN

Morning has broken  
Like the first morning  
Blackbird has spoken  
Like the first bird  
Praise for the singing  
Praise for the morning  
Praise for the springing  
Fresh from the Word

Sweet the rains new fall  
Sunlit from Heaven  
Like the first dew fall  
On the first grass  
Praise for the sweetness  
Of the wet garden  
Sprung in completeness  
Where His feet pass

Praise is the sunlight  
Praise is the morning  
Born of the one light  
Eden saw play  
Praise with elation  
Praise every morning  
God's recreation  
Of the new day

Il prend soins de la nature  
Un castor fait toujours attention  
Y fait pas de pollution

Un castor travaille dans sa hutte (BIS)  
Un castor avec tous partage (BIS)  
Il apprend a aimer son frere  
Il aide son pere, sa mere  
Il travaille fort y'a pas a dire  
Il sait rire, a du plaisir

### LE CIEL EST BLEU

Le ciel est bleu (2X)  
Reveille-toi (2X)  
C'est un jour nouveau qui commence  
Le ciel est bleu (2X)  
Reveille-toi (2X)  
Les oiseaux chantent sur les toits  
Reveille-toi

Ah qu'il fait bon d'avoir notre age  
Ah qu'il fait bon d'avoir notre age  
Et de marcher le coeur content  
Vers le cloche de son village  
Qu'elle est jolie notre riviere  
Qu'elle est jolie notre maison  
Qu'elle est jolie la terre entiere  
Qu'elle est jolie en toute saison

T'a des cailloux (2X)  
Sur les chemins (2X)  
Y'a des vents qui courent dans la plaine  
T'a des cailloux (2X)  
Sur les chemins (2X)  
Mais dans nos coeurs y'a de l'entrain  
T'a de l'entrain

There were eggs, eggs on little bandy legs

There was lard, lard they sell it by the yard

There was bread, bread like great big lumps of lead

There were kippers, kippers that go about in  
slippers

There was butter, butter running down the gutter

There were mice, mice eating up the rice

There were rats, rates big as blooming cats

There were flies, flies feasting on the pies

There was cheese, cheese wafting on the breeze

### **ON TOP OF OLD SMOKEY**

On top of old Smokey  
All covered with mud  
I found our poor leader  
All covered with blood

An axe in his shoulder  
An axe in his head  
I finally noticed  
My leader was dead

I went to his funeral  
I went to his grave  
Some people shot flowers  
But I shot grenades

### **JOHNNY APPLESEED**

Oh, the Lord is good to me  
And so I thanks the Lord  
For giving me the things I need  
The sun and the rain and the appleseed  
The Lord is good to me

For every seed that grows  
Will grow into a tree  
And on day there'll be apples there  
For everyone in the world to share  
Oh the Lord is good to me

Johnny Appleseed ..... AMEN!

### **THANK YOU LORD**

Thank you Lord for this day  
For your many good blessings  
Thank you Lord for this day  
For our many good friendships

### **GOD SAVE THE QUEEN**

God save our gracious Queen  
Long live our noble Queen  
God save the Queen  
Send her victorious  
Happy and glorious  
Long to reign over us  
God save the Queen

Nor on this land alone  
But be God's mercies known  
From shore to shore  
Lord, make our nations see  
That men should brothers be  
And form one family  
The wide world over

Thy choicest gifts in store  
On her be pleased to pour  
Long may she reign  
May she defend our laws  
And ever give us cause  
To sing with heart and voice  
God save the Queen

### **OH CANADA**

Oh Canada! Our home and native land  
True patriot love in all thy sons command  
Car ton bras sait porter l'épée  
Il sait porter la Croix  
Ton histoire est une épopée  
Des plus, brillant exploits  
God keep our land glorious and free!  
Oh, Canada, we stand on guard for thee.  
Oh, Canada, we stand on guard for thee.

### **ALLOUETTE**

Je te plumerai la tête

Ohhh, Allouette, gentille allouette
