### **Bear in Tennis Shoes**

(Repeat each line after leader, then entire verse  
in unison)

The other day  
I met a bear  
In tennis shoes  
A fancy pair

He looked at me  
I looked at him  
He sized up me  
I sized up him

He said to me  
“Why don’t you run?”  
“Because I see  
you got no gun”

And so I ran  
Away from there  
But right behind  
Me was that bear

Ahead of me  
I saw a tree  
A lovely tree  
Oh gracious me!

The lowest branch  
Was ten feet up  
I’d have to jump  
And trust my luck

And so I jumped  
Into the air  
But I missed that branch  
Oh way up there

Now don’t you fret  
And don’t you frown  
‘Cause I caught that branch  
On my way down

The moral is  
No shocking news:  
Don’t talk to bears  
In tennis shoes

That’s all there is,  
There ain’t no more  
Unless I meet  
That bear once more

And knocked me out of bed

I ate so many eggs that  
The ham rolled down my legs

Ouch!!... That hurts  
Now Jane has a pain  
Now Tarzan has a tan  
And I hope it doesn't peel... like a banana!

Cheeta  
Was dancing to the beata  
Cheeta  
Fell in to a pizza

Ouch!!... That hurts  
Now Cheeta is Velveta  
Now Jane has a pain  
Now Tarzan has a tan  
And I hope it doesn't peel like... a banana!

### **Tom the Toad**

Oh Tom the Toad  
Oh Tom the Toad

Why did you jump into the road  
You used to be, so green and fat  
And now you are, so red and flat  
Oh Tom the Toad  
Oh Tom the Toad  
Why did you jump into the road  
Why Tom why

### **Underwear Song**

God bless my underwear  
My only pair  
I don't mind though  
Cause I know  
When I pull down my pants they'll be there  
Now I wash them  
Every month now  
And I sew up every tear  
God bless my underwear  
My only pair

### **UniCamp Hymn / Canadian Taps**

Lyrics by Marilyn "Pro" Provisor Soll

The trees try to tell us  
The winds whisper too  
Of fun we've had together  
Or friendships we've made so true  
Oh UniCamp we'll cherish  
Our memories are fond of you  
The embers of campfire  
The stars in the sky  
The winding road that beckons  
The stream that meanders by  
Oh UniCamp we'll cherish  
Our memories will never die

Come we all  
Say "goodnight"  
As the shadows still cling  
To the edge of the night  
With each burning, dying ember  
There are friendships to remember  
As we sing one last

(sing and hold from a high pitch to a medium  
pitch to a lower pitch)

Goodnight, goodnight, goodnight

### **The Weenie Man**

I know a weenie man  
He owns a weenie stand

He sells most anything from hot dogs on  
down  
Some day I'll share his life  
I'll be his weenie wife  
Hot dog, I love that weenie maaaaan

I married that weenie man  
We moved to weenie land  
We had two weenie kids that blew up the cat  
(POP!)  
They went to weenie jail  
We paid the weenie bail  
Hot dog, those weenie kids are baaaad!

### **A Woodsey Life For Me**

Words by Kelly "Kimba" Asada

Yo ho, yo ho, a Woodsey life for me  
We love, we care, we always share  
We help each other out  
Cause making friends and having fun  
Is what it's all about!

Yo ho, yo ho, a Woodsey life for me  
We fish, we swim, we always play  
We hike on through the trees  
And when we leave we always have  
Our UniCamp memories  
Oh, Yo ho, yo ho, a Woodsey life for me!

### **Acorn Song**

I'm a little acorn nut,  
Sitting on the cold, cold ground.  
Everybody steps on me,  
that is why I'm cracked you see.

Chorus:

I'm a nut, (click, click)  
I'm a nut, (click, click)  
I'm a nut, I'm a nut, I'm a nut. (click, click)

Called myself on the telephone,  
Just to see if I was home.  
Asked myself out on a date,  
Picked me up at half past eight.

Chorus

Took myself to the picture show,  
Sat right down in the very first row.  
Wrapped my arms around myself,  
Got so fresh, I slapped myself.

Chorus

Coca Cola came to town,  
Pepsi Cola shot him down.  
Dr. Pepper fixed him up,  
Now we all drink 7 up.

Chorus

7 up just wouldn't do,  
Now we all drink Mountain Dew,  
Mountain Dew just wasn't right,  
Now we all drink Diet Sprite.

Chorus

### **On Top of Spaghetti**

On top of spaghetti  
All covered with cheese  
I lost my poor meatball  
When somebody sneezed

It rolled off the table  
And onto the floor  
And then my poor meatball  
Rolled out of the door

It rolled out to the garden  
And under a bush

And then my poor meatball  
Was nothing but mush

### **One Bright Day**

One bright day in the middle of the night,  
Two dead boys came out to fight,  
One was blind and the other couldn't see,  
So they got it done by a referee  
Back to back they faced each other,  
Pulled out their swords and shot each other.  
A deaf policemen heard the noise,  
So he came and shot those two dead boys  
If you don't believe this lie is true  
You can ask the blind man, he saw it too.

#### **Good Morning Song**

Way up in the sky  
The little birds fly  
Way down in the nest  
The little birds rest

With a wing on the left  
And a wing on the right  
The little birds sleep  
All through the night

SHHHHH! **THEY'RE SLEEPING!**

The bright sun comes up!  
The dew falls away!  
Good morning Good morning  
The little birds say!
