There was a boy  
and a girl  
they drove a car  
to the beach  
and it was hot

they went to swim t  
hey jumped in a  
nd they swam out  
further out  
and there were SHARKS!!!!

Papa shark  
Mama shark  
Brother shark  
Baby shark  
Disco shark  
Elvis shark  
Stupid shark  
Crazy shark  
Backwards shark  
Samba shark and  
grampa grumps

They turned around  
to swim back  
they began to crawl  
faster still

'cause there were SHARKS!

They took a leg

and an arm  
another arm  
they took a head a
