

SIGMA PI DELTA DRINKING SONG

Chorus:

Hooray for SPD boys,
Hooray for SPD.
Give a cheer and drink a beer
For our fraternity!

Verse:

What did Speedy do for me
If I stop and think?
The only thing it ever did
Was teach me how to drink!

Verse:

What is a fraternity
But beer and broads and fun.
And when I park my TR-3
I wish they wouldn't run!

Verse:

Where was our Club President
In Physics class today?
Lying in the gutter, boys
His mind all blown away!

Verse:

The track team at ol' CU
Is just another name
For all the drunks of SPD
The faces are the same!

Verse:

Athletes we don't claim to be
Of women we stay clear
But all of us appreciate
A frosty mug of beer!

Verse:

This mug's for the Rector
Hang him way up high
Because of him I'm forced to say
This place is too damned dry!

Verse:

Here's a cheer for SPD
We hope you always live.
And here's a cheer for KBG
We hope you always give!

Verse (courtesy of Dave Wayland):

Na na na na na na na na
Na na na na na na.
Na na na na na na na
We're all f***ed up as sh*t!

SIGMA PI DELTA SWEETHEART SONG

The girl that I cherish
Is by far the fairest,
Most beautiful girl that I know.

Her eyes are bright,
As a lily white.
Her lips are those of a rose.

Her warm tenderness
And sweet beauty caress
My heart so tenderly.

Her eyes dance like starlight
Upon the dark sea.
She's the sweetheart of SPD.
