Just a Boy and a Girl:

Just a boy and a girl in a little canoe with
the moon shining all around.
And as he plied his paddle, you couldn't
even hear a sound.
So they talked and they talked 'till the moon
grew dim.
He said you better kiss me or get out and
swim So what's a girl to do in a little canoe
With the moon shining all a, boats floatin' all
a, girls swimming all a round

The Cannibal King:

Oh the Cannibal King with the big nose ring
Fell in love with the dusty maid
And every night in the pale moon light
It sounded like this to me...
Boom, boom (kiss, kiss)
Boom, boom (kiss, kiss)
Boom, boom (kiss, kiss)
He kissed and kissed his pretty little miss
In the shade of the bamboo tree
And every night in the pale moon light
It sounded like this to me...
Boom, boom (kiss, kiss)
Boom, boom (kiss, kiss)
Boom, boom (kiss, kiss)

The Billboard Song:

As I was walking down the street one dark
and dreary day
I came upon a billboard and much to my
dismay
The sign was torn and tattered from the
storm the night before
The wind and rain had done its job and this
is what I saw
Smoke Coca-Cola cigarettes, chew Wrigley
Spearmint beer
Ken-L-Ration dog food makes your wife's
complexion clear
Simonize your baby with a Hershey's candy
bar
And Texaco's the beauty cream that's used
by all the stars
So take your next vacation in a brand new
Frigidaire
Learn to play piano in your winter
underwear
Doctor's say that babies should smoke until
they're three
And people over 65 should bathe in Lipton
tea
With flow through tea bags

I'm a Nut:

I'm a little acorn nut
Lying on the cold, cold ground.
Everybody steps on me
That is why I'm cracked, you see.

Chorus:

I'm a nut (click, click)
I'm a nut (click, click)
I'm C-R-A-Z-Y!
I call myself on the telephone
Just to hear my golden tone.
Ask myself out on a date
Pick me up at half past eight.

Chorus

I call myself to the movie show
Just because I love me so.
Put my arms around my waist
If I get fresh I slap my face.

Chorus**Do Your Ears Hang Low?:**

Do your ears hang low?
Do they wobble to and fro?
Can you tie them in a knot?
Can you tie them in a bow?
Can you throw them o'er your shoulder
like a continental soldier?
Do your ears hang low?

Do your ears hang high?
Do they reach up to the sky?
Do they droop when they are wet?
Do they stiffen when they're dry?
Can you semaphore your neighbour
with a minimum of labour?
Do your ears hang high?

Do your ears flip-flop?
Can you use them for a mop?
Are they stringy at the bottom?
Are they curly at the top?
Can you use them for a swatter?
Can you use them for a blotter?
Do your ears flip-flop?

Do your ears hang out?
Can you waggle them about?
Can you flip them up and down
as you fly around the town?
Can you shut them up for sure
when you hear an awful bore?
Do your ears hang out?

Skunk Song:

Oh, I stuck my head in a little skunk hole
And the little skunk said,
"Well, Bless my soul!"
"Take it out, take it out, take it out,
Remove it!"
Well I didn't take it out and the little skunk
said
"You'd better take it out or you'll wish you
had."
Take it out, take it out!"
SHHHHHHH
I remoooooooooved it!

Watermelon Song:

You can plant a watermelon up above my
grave and let the juice run through.
You can plant a watermelon up above my
grave.
That's all I ask of you.
Well them chicken and tatters they taste
mighty fine
But nothing tastes as good as a watermelon
rind.
You can plant a watermelon up above my
grave and let the juice run through.

Froggie Song:

Um-um went the little green frog one day,
Um-um went the little green frog.
Um-um went the little green frog one day
So we all went um-um ha.
We all know frogs go sha-nanana, sha-
nanana, sha-nanana,
We all know frogs go sha-nanana
They don't go um-um ha.
Honk, honk went the big bad truck one day
Split, splat went the little green frog
The little green frog don't um no more
'Cause he got licked up by a dog. (slurp)

The Donut Shop:

Well I walked around the corner and I
walked around the block,
And I walked right into a donut shop.
I pulled three donuts right out of the grease,
And handed the lady a five cent piece.
Well she looked at the nickel and she
looked at me,
And she said this nickel's no good to me.
It's got a hole in the middle that goes right
through.
I said lady your donuts got a hole in it too.
Thanks for the donuts, toot-a-loo.

Pass It On:

It only takes a spark to get the fire going,
And soon all those around,
Will warm up to it's glowing.
That's how it is with God's love.
Once you've experienced it
You spread his love to everyone,
You want to pass it on.
What a wondrous time is spring,
When all the trees are budding,
The birds begin to sing,
The flowers start their blooming
That's how it is with God's love,
Once you've experienced it.
You want to sing, it's fresh like spring,
You want to pass it on.
