Kickapoo Kamp.

### **Prayers**

#### **A.M.**

Father, we thank, Thee, for the night  
And for the blessed morning light,  
For rest and food and loving care  
And all that makes the world so fair.  
Amen.

#### **P.M.**

We thank Thee, Lord, for daily bread,  
As by Thy grace our souls are fed.  
Help us to grow more like to Thee  
This day and through eternity. Amen.

### **Rest Hour**

Rest Hour! Rest Hour! How we love our  
Rest Hour!  
No reading, no writing, nor wiggling.  
No walking, no talking, no giggling.  
Two hours a day for three whole weeks,  
Trying to rest on a bed that squeaks.  
I'll murder the one who ever speaks  
To me on that awful Rest Hour!

### **Taps**

Green trees around you, Blue skies  
above  
Friends all around you  
In a world filled with love  
Taps sounding softly, Hearts beating true  
As campers sing goodnight to you.  
Day is done, gone the sun, from the  
lakes, from the hills, from the skies.  
All is well, safely rest. God is nigh.  
Good night!

### **Cooks' Song**

Cookies! Cookies! Listen while we sing  
to you!  
Cookies! Cookies! You're a part of  
camp life too.  
Anyone can make a bed,  
Any one can sweep.  
But it takes a cookie to make us things to  
eat!  
So cookies, cookies...listen while we  
sing to you!

### **Kickapoo Loyalty Song**

We're strong for Kamp Kickapoo  
K-I-C-K-A-P-O-O  
The girls are the fairest  
The counselors, the squarest  
Of any old camp that we know!  
We're strong for Kamp Kickapoo,  
The camp where the friendships grow.  
No matter the weather  
We'll all stick together for  
K-I-C-K-A-P-O-O

### **Cherokee Loyalty Song**

Cherokees are always loyal  
Ever strong and true  
They are honest in their doings  
And are never blue  
They lead the rest in all that's best  
Their good works never cease  
Say, we will always strive to please you  
We're the Cherokees.

### **Choctaw Loyalty Song**

The dearest tribe of all the tribes  
In this whole kamp to me  
Is the tribe of the truest blue  
The fulfillment of all our dreams  
It has the fight, it has the might  
And it will surely win  
Through thick and thin  
We'll wear a grin  
For the dear old Choctaw tribe.

### **I Thought I'd Go to Kamp**

(Jingle Bells Tune)

I thought I'd go to kamp  
So I says to my Ma  
May I go to Kickapoo?  
It isn't very far.  
My Ma she says to me  
I think that you may go  
I wanna see how big and strong and rosy  
you can grow  
Oh Kickapoo, Kickapoo  
That's the place for me  
Where we all have lots of fun and live a  
life that's free  
Kickapoo, Kickapoo  
Come along and see  
How Bim and Gordon make us feel  
Like on big family.

### **We Are One in the Spirit**

We are one in the spirit  
We are one in the Lord  
We are one in the spirit  
We are on in the Lord  
And we pray that Christ's unity will one  
day be restored  
And they'll know we are Christians by  
our love, by our love  
Yes they'll know we are Christians by  
our love, by our love.

We will walk with each other  
We will walk hand in hand  
We will walk with each other  
We will walk hand in hand  
And together we'll spread the news that  
God is in our land  
And they'll know we are Christians by  
our love, by our love  
Yes they'll know we are Christians by  
our love, by our love.  
We will walk with each other  
We will walk side by side  
We will walk with each other  
We will walk side by side

We will guard each man's dignity and  
save each man's pride.  
And they'll know we are Christians by  
our love, by our love  
Yes they'll know we are Christians by  
our love, by our love.  
Repeat verse 1.

### **He's Everything to Me**

In the stars his handy work I see  
On the wind he speaks with majesty  
Through He ruleth over land and sea  
What is that to me?  
I will celebrate nativity  
For it has a place in history  
Sure he came to set his people free  
What is that to me?  
'Till by faith I met him face to face  
Ah ah ah ah  
And I felt the wonders of His grace  
Ah ah ah ah  
And I knew that He was more than just a  
God who didn't care  
Who lived away up there  
And now he walks beside me day by day  
Ever watching o're me lest I stray  
Helping me to find the narrow way  
He's everything to me

### **Jacob's Ladder**

We are climbing Jacob's Ladder  
We are climbing Jacob's Ladder  
We are climbing Jacob's Ladder  
Soldiers of the Cross.

Every rung goes higher, higher. 3xs  
Sinners do you love my Jesus? 3xs.

### **No Man is An Island**

No man is an island  
No man stands alone  
Each man's joy is joy to me  
Each man's grief is my own.  
We need one another

So I will defend  
Each man as my brother  
Each man is my friend.

I saw the people gather  
I heard the music start  
The song that they were singing  
is ringing in my heart.

We need one another  
So I will defend  
Each man as my brother  
Each man is my friend.

No man is an island  
No man stands alone.

### **The Call of the Fire**

The call of the fire  
Comes to us through the shadows  
That follow the close of the day  
Its flame brings us peace  
And a calmness of spirit  
That drive all our troubles away.  
We're thankful for days  
And the joys that they give us,  
For nights and the rest that they bring  
May go on believing in this love  
We're receiving  
Just now 'round the fire as we sing—  
Each camp fire lights a new  
The flames of friendship true  
The joy we've had in knowing you  
Will last our whole lives through  
And as the embers fade away  
We wish that me might not never stray  
But since we cannot have our way  
We'll come again some other day.  
Hum..hum...

### **Witchcraft**

If there were witchcraft,  
I'd make two wishes  
A winding trail, that beckons me to rome  
And then I'd wish for a blazing campfire

To welcome me when I'm returning  
home  
But in this real world there is no  
witchcraft  
And golden wishes do not grow on trees  
Our fondest daydreams must be the  
magic  
To bring us back those golden memories  
Memories that linger, constant and true  
Bring back sweet visions, Kickapoo of  
you.

### **Today**

Today while the blossoms still clings to  
the vine  
I'll taste your strawberries, I'll drink  
your sweet wine  
A million tomorrow's shall all pass away  
Ere I forget all the joys that were mine  
today  
I'll be a dandy and I'll be a rover  
You'll know who I am by the songs that  
I sing  
I'll feast at your table, I'll sleep in your  
clover  
Who cares what tomorrow may bring?  
CHORUS  
I can't be contented with yesterday's  
glories  
I can't live on promises summer 'till

Today is my moment and now is my

I like to ride all over kamp  
I like to hear little KK go clip-clop  
I like to see those wheels go round.

### **One Tin Soldier**

Listen children to a story that was  
written long ago

About a kingdom on a mountain and the  
valley far below

On the mountain was a treasure buried  
deep beneath a stone

And the valley people swore they'd have  
it for their very own

CHORUS

Go ahead and hate your neighbor

Go ahead and cheat a friend

Do it in the name of heaven

You can justify it in the end

There won't be any trumpets blowin'

Come to judgment day

On the bloody mornin' after

One tin soldier rides away

So the people of the valley sent a  
message up the hill

Asking for the buried treasure

Tons of gold for which they'd kill

Came an answer from the kingdom with  
our brothers we will share

All the secrets of our mountain

All the riches buried there

CHORUS

Now the valley cried with anger

“Mount your horses, Draw your  
swords.”  
And they killed those mountain people  
So they won their just reward  
Now they stood beside the treasure  
On the mountain dark and red  
Turn the stone and look beneath it  
(1, 2, 3)  
Peace on Earth was all it said  
CHORUS

### **Aloha-A**

Aloha A  
We campers say

Each heart so true

She was a girl who could do the hulu  
She was a dancer  
She was a prancer  
She was a cutie  
A real Beauty  
There wasn't need for much  
improvement  
She had a need for every movement  
I said Aloha  
Won't you come to Kickapoo  
(split into tribe rounds)

### **Love Grows Under**

Under the wide oak tree.

Wouldn't trade her for a barrel of money  
And on those days when we're not so

Just the price of a handsome mister

**Be Kind to Your Parents**

Be kind to your parents  
Though they don't deserve it  
Remember the grown-ups  
A difficult stage of life  
They're apt to be nervous and over  
excited  
Confused by the daily storm and strife  
So keep in mind though it seems hard I  
know  
Most parents once were children long  
ago  
**INCREDIBLE!**  
So treat them with patience and sweet  
understanding  
Inspite of the foolish things they do  
Some day you may wake up and find  
you're a parent too.

(hi mom.....hi dad)

**Cowboys Lullaby**

Desert silvery blue beneath the pale  
moonlight  
Coyotes yappin' lazy on the hill

Sleepy winks of light along the far  
skyline  
Time for milling cattle to be still

#### CHORUS

So now the lightening's far away  
The coyote's nothin' scary just singing  
in his deary  
Yoho tomorrow holiday so settle down  
your cattle til the mornin'

There's nothing out there on the plains  
that you folks see  
There's nothing out there seems to catch  
your eye  
Still you better watch 'em or they'll all  
stampede  
Plunging down arroyo banks to die  
CHORUS

So let's tell the world all the joys we  
have had  
This summer with you at Kickapoo.

#### Mary Jane

I was ship wrecked on the Mary Jane  
On the isle of Eskimo ho ho  
You were my oochi-coochie sweetie pie  
And I don't care if we ever get back  
Cause we'll build a bungalow big  
enough for two  
Big enough for two my honey big  
enough for us together  
And when we're married happy we'll be  
underneath the bamboo  
Underneath the bamboo tree

Boom-boom boom-boom boom boom

If you'll be M-I-N-E mine  
I'll be T-H-I-N-E thine  
And I'll L-O-V-E love you  
All the T-I-M-E time  
You are the B-E-S-T best  
Of all the R-E-S-T rest  
And I'll L-O-V-E love you  
All the T-I-M-E time  
Rack em-up sack em-up  
Any ole time  
Someone's been giving you lessons in

heaven above  
That last kiss you gave me sure was a  
winner you're no beginner  
Someone's been here before.

#### You are My Sunshine

You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear how much I  
love you  
Please don't take my sunshine away  
The other night dear as I lay sleeping  
I dreamt I held you in my arms  
When I awoke dear I was mistaken  
So I hung my head down and cried  
REPEAT CHORUS

It only takes a spark to get a fire going  
And soon all those around can warm up  
to it's glowing  
That's how it is with God's love once  
you've experience it  
You'll spread his love to everyone  
You'll want to pass it on  
What a wondrous time in spring when  
all the trees are budding  
The birds begin to sing the flowers start  
their blooming  
That's how it is with God's love, once  
you've experienced it.

You'll want to sing it's fresh like spring  
You'll want to pass it on  
I wish for you my friend this happiness  
that I've found  
You can depend on it, it matters not  
where you're bound  
I'll shout it from the mountain tops

sip that cider through a straw  
First cheek to cheek  
Then jaw to jaw  
We'd sip that ci  
Der through a straw  
First cheek to cheek then jaw to jaw

#### May the Good Lord Bless and Keep You

May the good Lord bless and keep you  
Whether near or far away  
May you find that long awaited golden  
day today  
May your troubles all be small ones  
And your fortunes ten times ten  
May the good lord bless and keep you  
'til we meet again  
May you walk with sun light shining  
And a blue bird in every tree  
May there be a silver lining back of  
every cloud you see  
Fill your dreams with sweet tomorrow's  
Never mind what might have been  
May the good Lord bless and keep you  
'til we meet again.

#### Geraldine was a Camper

Geraldine was a camper  
Was a good friend of mine  
Never understood a single word she said  
But I helped her tie her tie  
She always had a neat green tie  
Singing joy to the camp  
All the Kickapoo girls now  
Joy to the fishes in the Turtle Creek  
And the horses in the riding ring  
If I were the queen of the kamp  
I'll tell you what I'd do  
I'd ride and I'd swim and I'd play all  
day  
And have fun along the way  
Singing joy to the kamp  
All the Kickapoo girls now  
Joy to the campers and the counselors  
too

And Joy to Kickapoo.

Vista (all together)

I can see those counselors having a fight  
With curlers in their hair and cold cream

I would like to have a night off too

Suddenly flies a pillow through the air  
And the feathers do go everywhere
