

The Song of The Undecided

Oh, the Huns are a mass ing in the Wild wood, And/the

Vik ings are sneaking up the Dale. Well, the cas tle is arm ing for

a wild time, And the gore is gon na flow in the

Vale. Oh, come come come come, Come to the fight in the

Wild wood, Oh, see/the mass a cre in the Vale. Well, they're

gon na de cide if our child hood Is spent in Norway in Russia or the Dale.
