

# Berserk Rag

I just read in my T. I. that we should all pre pare to die,

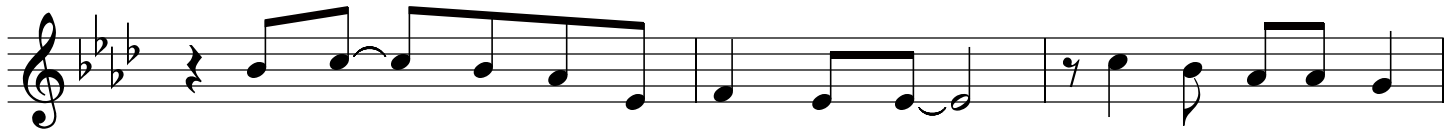

For you must fight with in the Lists as though there's steel with in your

fists. When you get out there to fight,

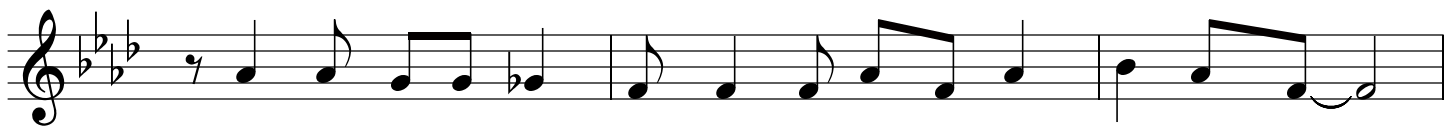

you swing with all of your might, for it's one two three why

do we strike full force? Don't tell me that it's ab surd, I

fol low Ber serk's word and it's five six sev en

open up the pear ly gates, Well ours is not to ques tion why

Whoop ee! We're all gon na die!
