

# Battle of Burro Creek

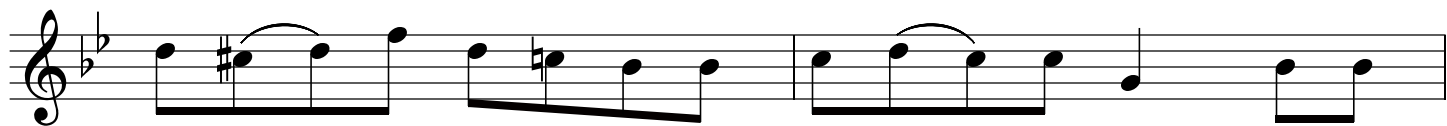

(Burro Creek III)

In A. S. four teen we took a lit tle trip, The

migh t y banks of Bur ro Creek the West ern ers to whip. Thir

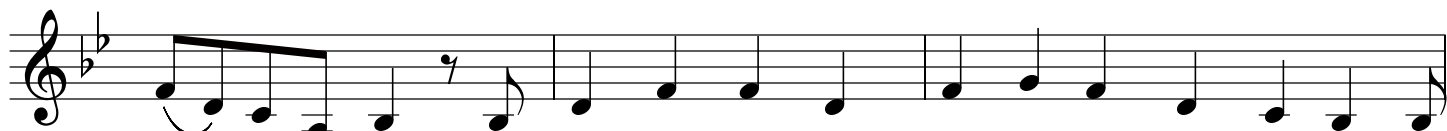

ty pounds of cook ies and sev en kegs of beer, Half a

ton of fire wood and oth er mar shal gear.

We thrust our swords in those mighty West ern fight ers, Pound their helms with the

swords that we bore, Make them slip in the blood a round their bod ies, We'd

show those damn West ern ers just how we win a war.
