

Look For A Champion

The musical score is written on seven staves in 3/4 time with a key signature of three flats (B-flat, E-flat, A-flat). The melody is simple and uses a mix of quarter, eighth, and half notes. The lyrics are written below the notes, with some words split across lines. A fermata is placed over the first measure of the second staff.

The shire of Windy Meads had a meeting one
day And it was there at that meeting I heard some one
say, "Our champion's too old, we've had him a
year, I think the time for picking a new one is here."
Look, look, look for our new champion Look for him
under a stone, in a tree Look, look, look for our
new champion Oh, how I wonder just who it will be.
